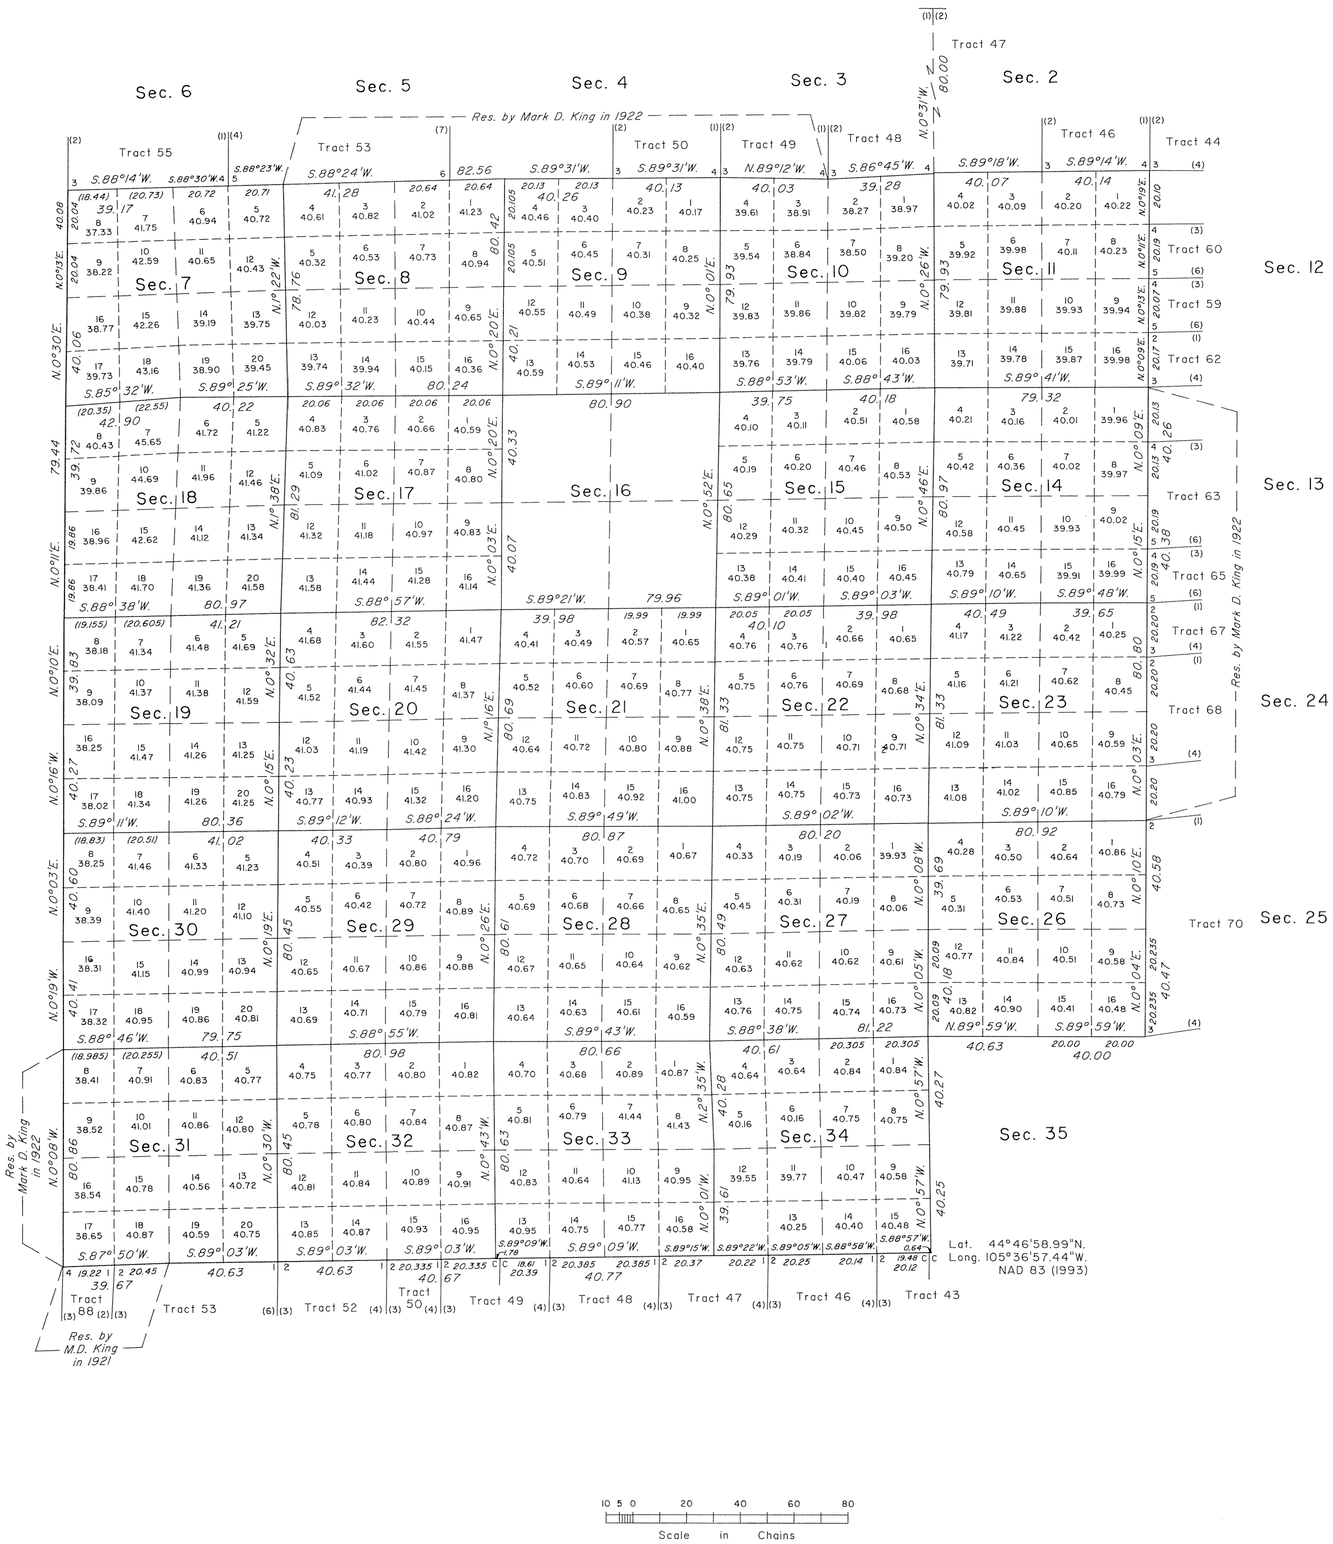
# TOWNSHIP 56 NORTH, RANGE 73 WEST, OF THE SIXTH PRINCIPAL MERIDIAN, WYOMING.

## DEPENDENT RESURVEY



A history of surveys is contained in the field notes.

This plat represents the dependent resurvey of portions of the south and west boundaries and portions of the subdivisional lines designed to restore the corners in their true original locations according to the best available evidence, T. 56 N., R. 73 W., Sixth Principal Meridian, Wyoming.

Certain modified lots and areas shown hereon pertain to Federal interest estate only. Except as indicated hereon, the lottings and areas are as shown on the plat approved September 4, 1883.

Survey executed by Joel T. Ebner, Cadastral Surveyor, beginning May 22, 2001, and completed July 25, 2001, pursuant to Special Instructions dated February 26, 2001, for Group No. 686, Wyoming.

UNITED STATES DEPARTMENT OF THE INTERIOR
BUREAU OF LAND MANAGEMENT

Cheyenne, Wyoming — December 31, 2002

This plat is strictly conformable to the approved field notes, and the survey, having been correctly executed in accordance with the requirements of law and the regulations of this Bureau, is hereby accepted.

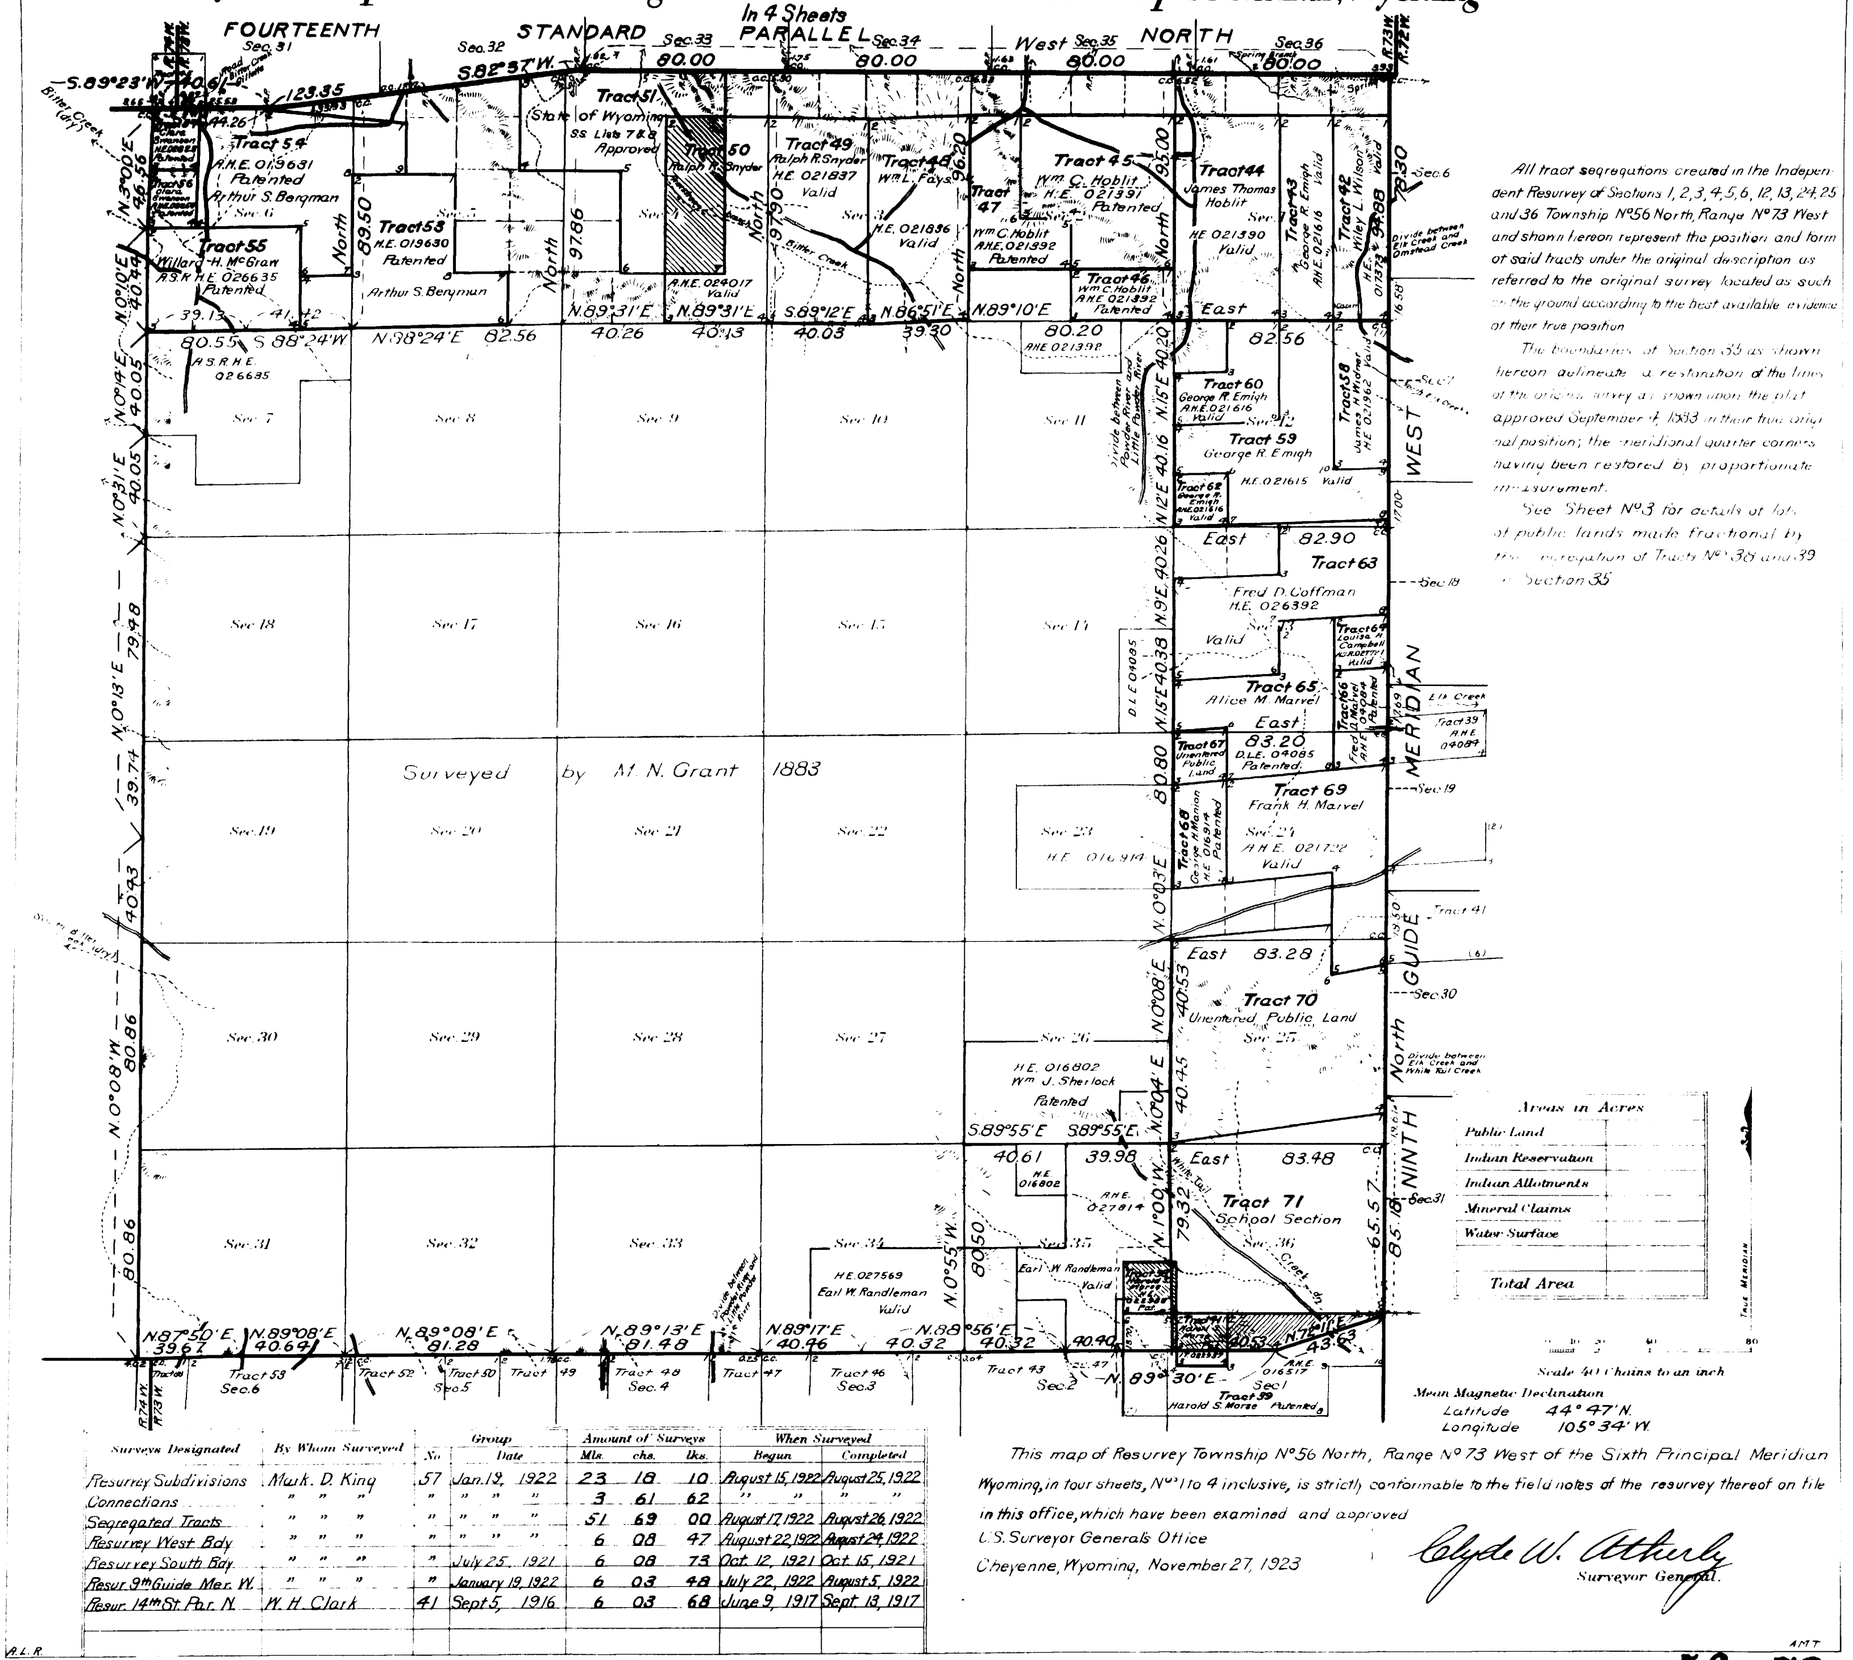
Sheet No 1

# Resurvey Township No 56 North, Range No 73 West of the Sixth Principal Meridian, Wyoming

In 4 Sheets



All tract segregations created in the Independent Resurvey of Sections 1, 2, 3, 4, 5, 6, 12, 13, 24, 25 and 36 Township No 56 North, Range No 73 West and shown hereon represent the position and form of said tracts under the original description as referred to the original survey located as such on the ground according to the best available evidence of their true position

The boundaries of Section 35 as shown hereon delineate a restoration of the lines of the original survey as shown upon the plat approved September 4, 1883 in their true original position; the meridional quarter corners having been restored by proportionate measurement.

See Sheet No 3 for details of lots of public lands made fractional by the exception of Tracts No 38 and 39 in Section 35
