This plat of the resurvey of T.13 N., R.100 W. delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved May 5, 1883 in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules, except in the case of the W½W½ of the west range of sections which is held to be independently resurveyed.

Titles and areas based upon the original plat remain undisturbed for position and description except in case of the W½W½ of the west range of sections; all Public Lands therein being subject to disposal on the basis of this plat.

Resurvey authorized by Commissioner's letter "E" dated June 7, 1929.
