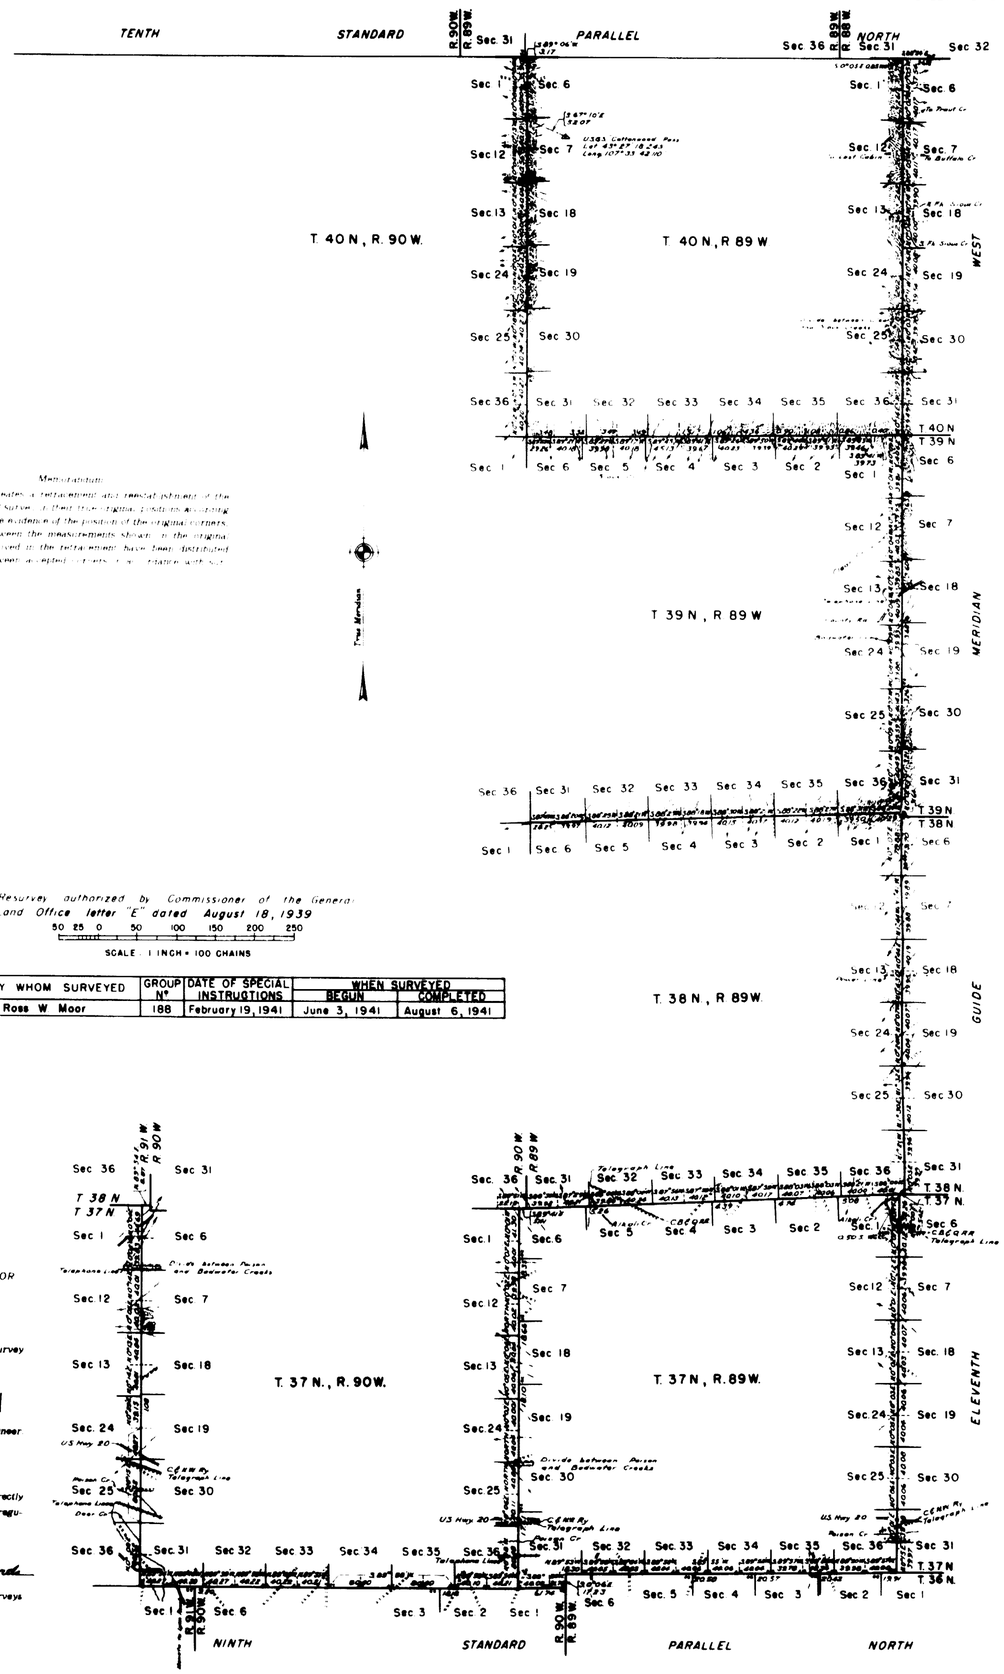
DEPENDENT RESURVEY OF EXTERIOR LINES

SHEET 1 OF 2



Meanderings:

This plat delineates a retracement and resurvey of portions of the original survey. Where the original position is according to the best available evidence of the position of the original corners, all differences between the measurements shown in the original plat and those obtained in the retracement have been distributed proportionally between adjacent corners in accordance with surveying rules.

Resurvey authorized by Commissioner of the General Land Office letter "E" dated August 18, 1939
