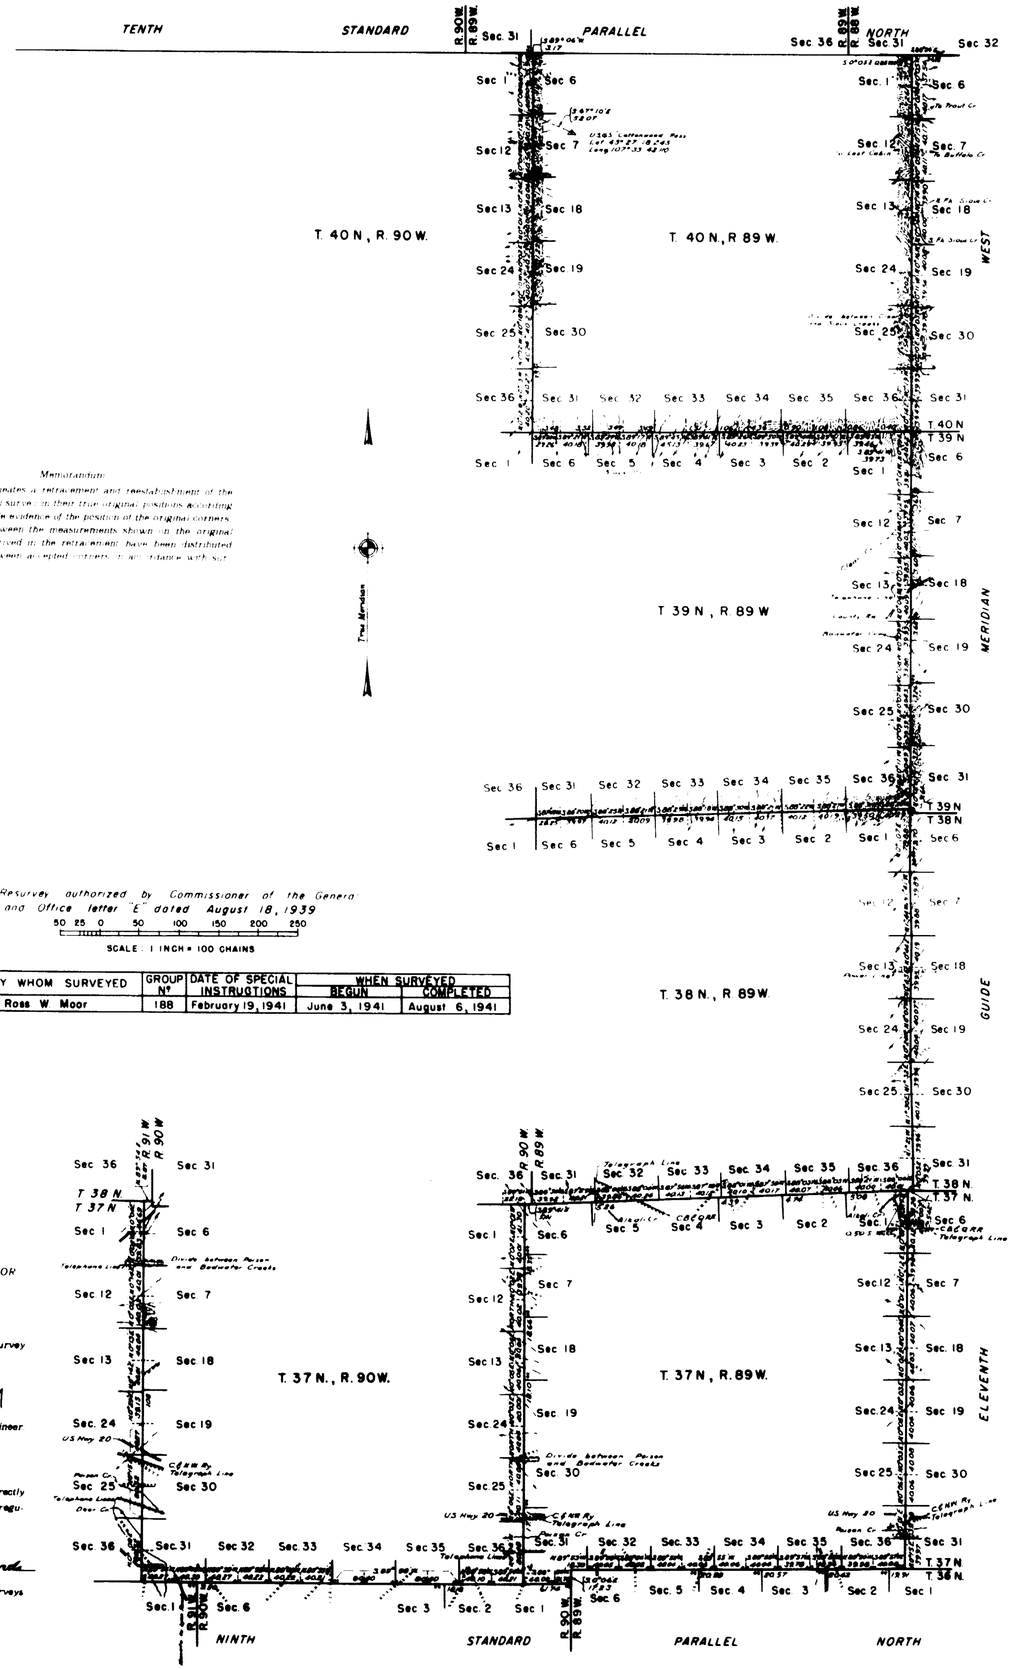
DEPENDENT RESURVEY OF EXTERIOR LINES

SHEET 1 OF 2



Memorandum:

This plat demonstrates a retracement and reestablishment of the lines of the original survey, in their true original positions according to the best available evidence of the position of the original corners. All differences between the measurements shown in the original plat and those derived in the retracement have been distributed proportionally between adjoining corners in accordance with established rules.

Resurvey authorized by Commissioner of the General Land Office letter "E" dated August 18, 1939
