Office of Supervisor of Surveys

Denver, Colorado. Feb. 9, 1942

The above plat of Township No. 33 North, Range No. 87 West of the Sixth Principal Meridian, Wyoming, is strictly conformable to the field notes of the resurvey thereof which have been examined and approved.

Supervisor of Surveys

The plat of the resurvey of Township No. 33 North, Range No. 87 West represents the retracement and re-establishment of the lines of the original survey as shown upon the plat approved February 1, 1883, in their true original location according to the best available evidence of the positions of the original corners, all differences between the original plat and the resurvey shown on the retracement have been distributed proportionally between accepted corners in accordance with surveying rules. Reference will be made to the original plat for the showing of the areas and more detailed descriptions of the various smaller subdivisions except in Sections 1, 3, 4, 5, 7, 9 and 12 where the difference in area is of sufficient importance to call for a recalculation of the lots and tracts therein.
