This plat of the resurvey of Township Nº36 North, Range Nº86 West of the Sixth Principal Meridian, Wyoming, delineates a retracement and re-establishment of the lines of the original survey as shown upon the plat approved February 21, 1883, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas and more detailed descriptions of the various smaller subdivisions, except in sections 4, 5, 6, 7, 8 & 9, where the difference in area is so great as to warrant a recalculation of the public lands therein.

Resurvey authorized by the Commissioner's letter "E" dated August 12, 1935.
