Miscellaneous							

This plat of the resurvey of Township No. 41 North, Range No. 89 West, delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved February 2, 1885, in their true original position according to the best available evidence of the position of the original corners; all discrepancies between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with U.S. surveying rules; reference will be made to the original plat for the showing of areas and such descriptions of the various small fractional tracts.

Office of U.S Supervisor of Surveys

Denver, Colorado, May 13, 1927.

The above plat of Township No. 41 North, Range No. 89 West, of the Sixth Principal Meridian, Wyoming, is strictly conformable to the field notes of the survey thereof which have been examined and approved.

Grant E. Johnson
U.S Supervisor of Surveys.

DEPARTMENT OF THE INTERIOR
GENERAL LAND OFFICE

Washington, D.C., July 21, 1927

The survey represented by this plat having been correctly executed in accordance with the requirements of law and the regulations of this office, is hereby accepted.

D. C. Gardner
Acting Assistant Commissioner
