This plat of the resurvey of T. 14 N., R. 100 W. delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved January 9, 1883 in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules, except in the case of the W½ W½ of the west range of sections which is held to be independently resurveyed.

Titles and areas based upon the original plat remain undisturbed for position and description except in the case of the W½ W½ of the west range of sections; all Public Lands therein being subject to disposal on the basis of this plat.

Resurvey authorized by Commissioner's letter "E" dated June 23, 1933.

Latitude 41° 08' N.
Longitude 108° 36' W.

Office of U.S. Supervisor of Surveys

Denver, Colorado February 7, 1935

The above plat of Township No. 14 North, Range No. 100 West of the Sixth Principal Meridian, Wyoming, is strictly conformable to the field notes of the resurvey thereof which have been examined and approved.

U. S. Supervisor of Surveys
