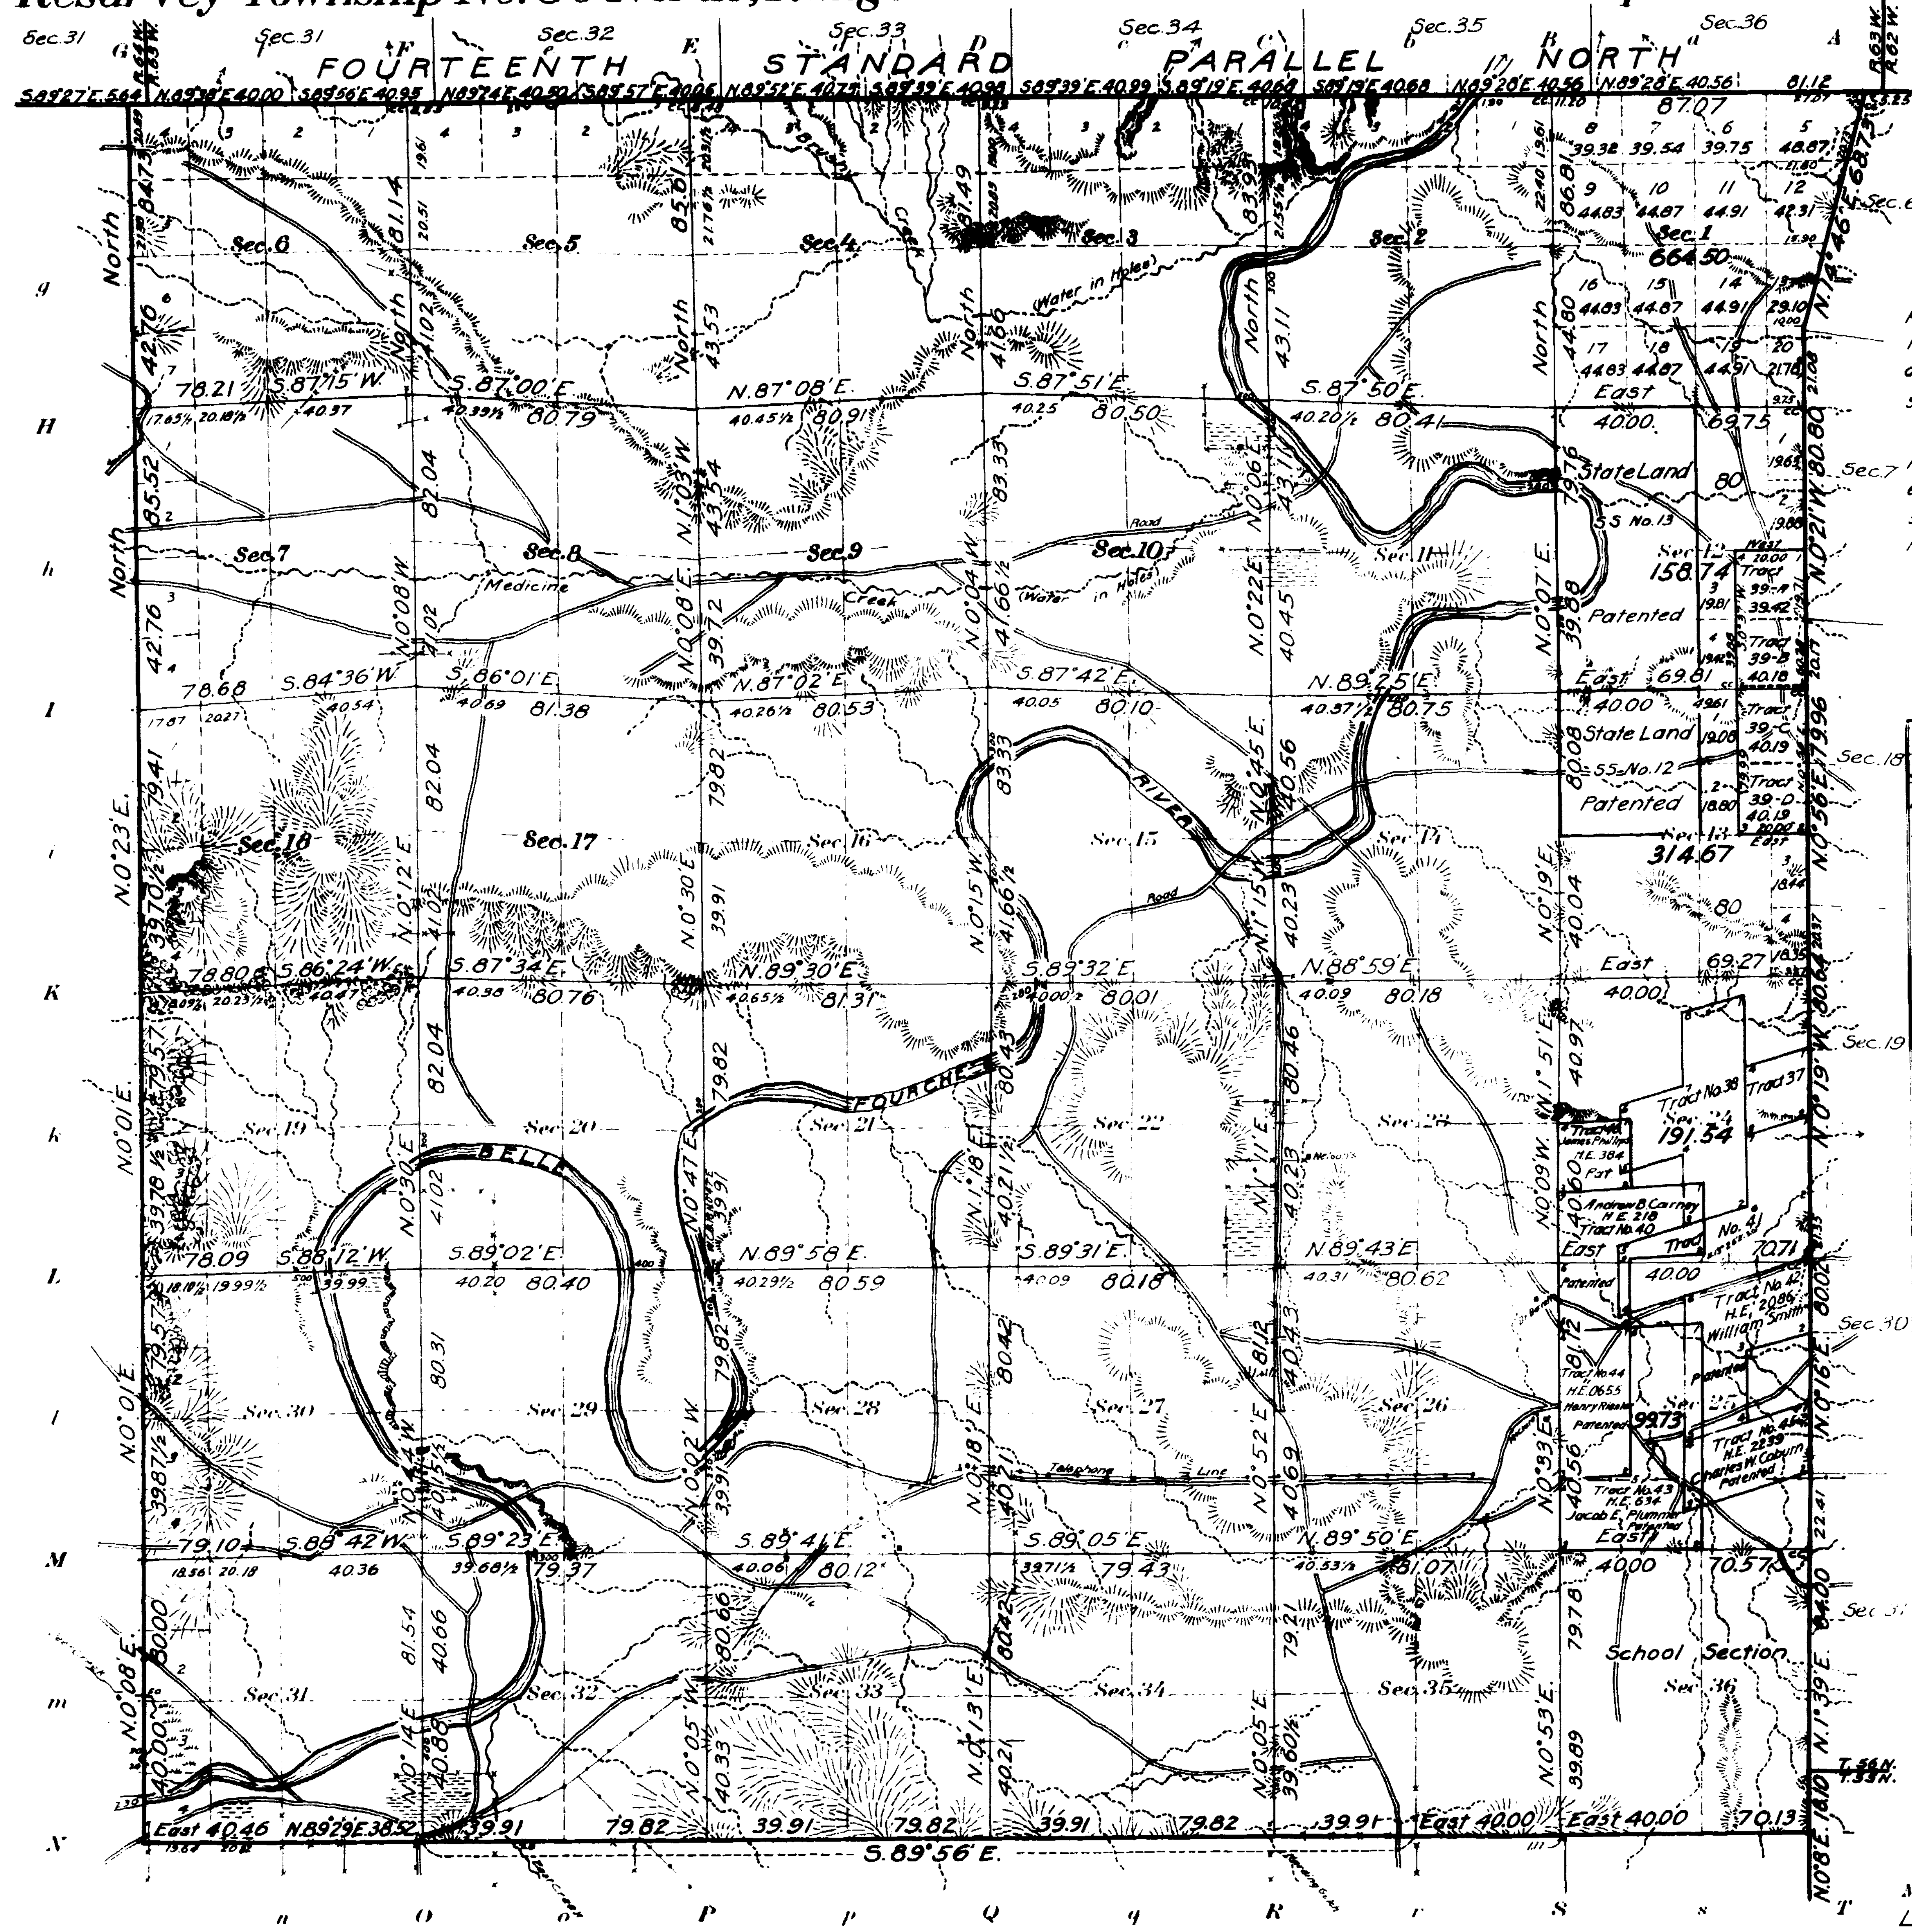
Resurvey Township No. 56 North, Range No. 63 West of the Sixth Principal Meridian, Wyoming

Survey Accepted July 20, 1917
G.L.O.



The resurvey represented by this plat was made for the purpose of restoring all lost or obliterated corners and relocating and marking out upon the ground the Exterior and Subdivision Lines, in accordance with the original survey approved July 28, 1883.

Titles and areas based upon the original approved plat remain undisturbed for position and description in every section excepting Sections 1, 12, 13, 24 and 25 in the resurvey of which the plan of dependent restoration survey has not been followed

See Supplemental Plat No. 1
