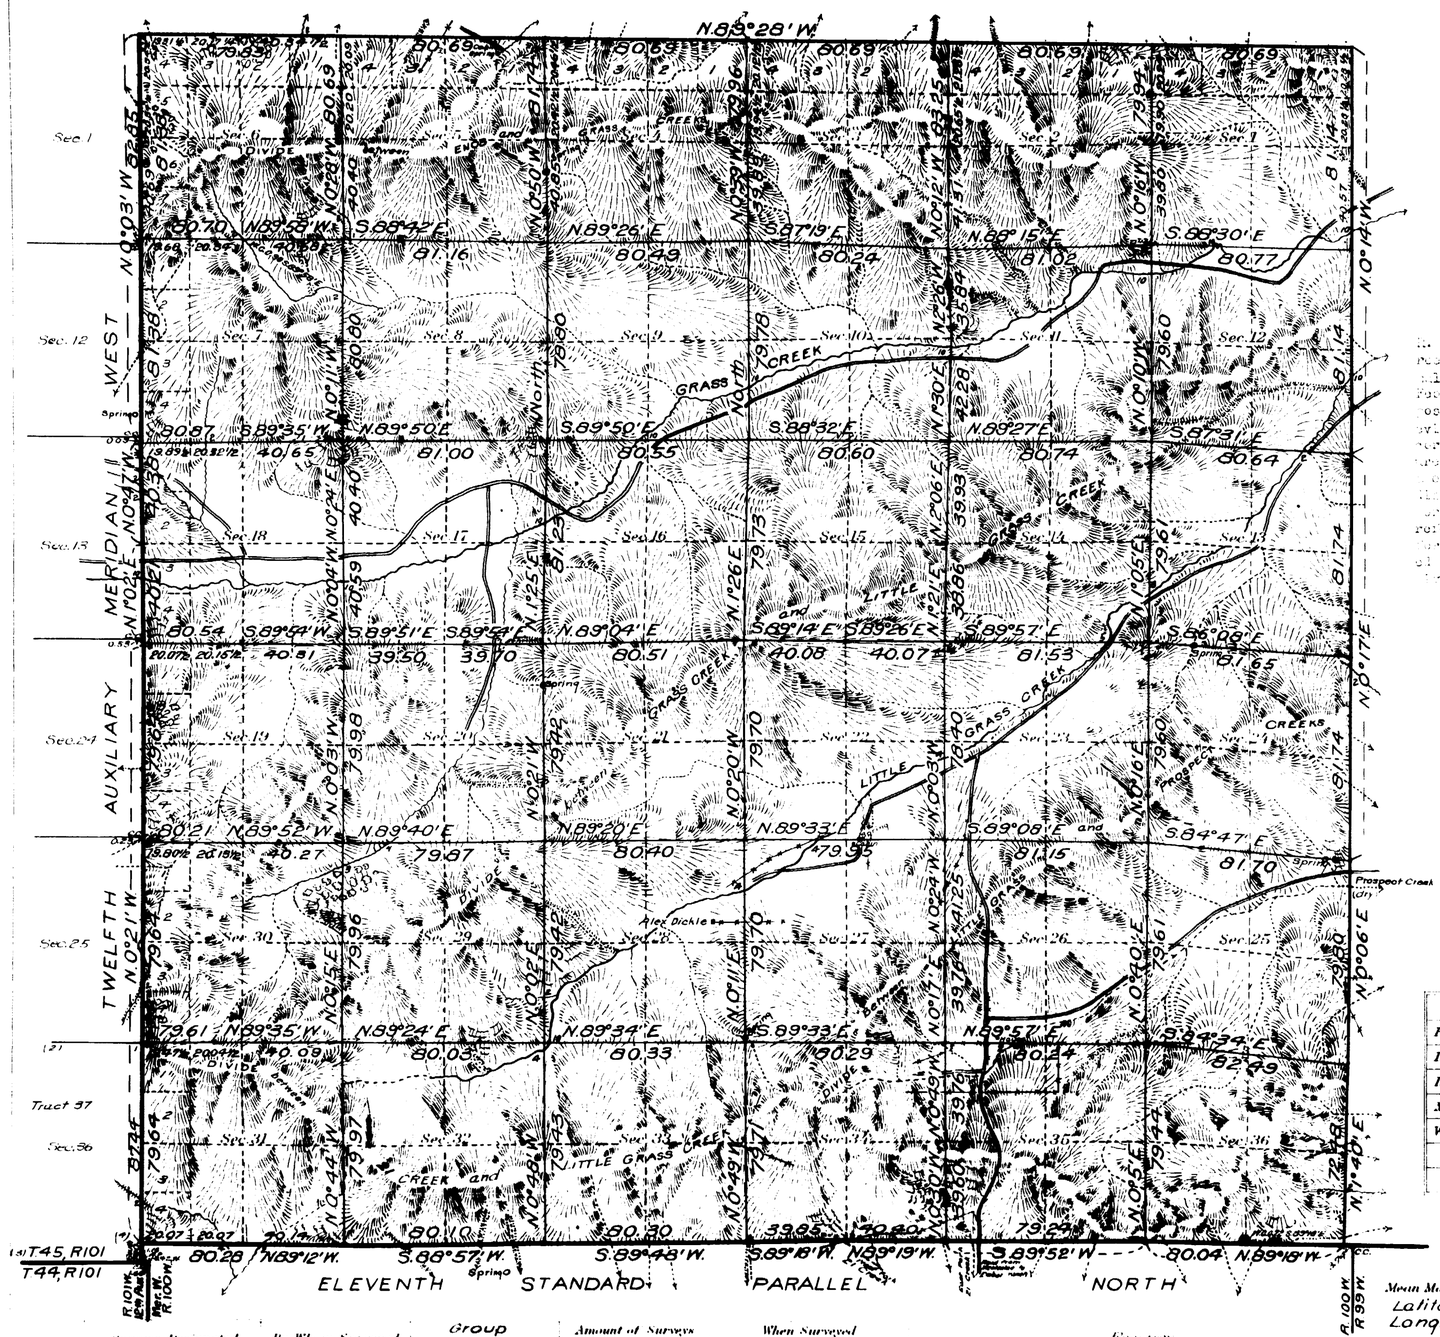
Resurvey Township No 45 North, Range No 100 West of the Sixth Principal Meridian, Wyoming



This plat is the resurvey of T. 45 N., R. 100 W., 6th P.M., following a retracement and reestablishment of the lines of the original survey as shown on the plat approved February , 1902, in their true original position according to the best available evidence of the condition of the original corners; all differences found between the measurements shown on the original plat and those derived in the retracement have been distributed proportionately between accepted corners in accordance with surveying rules; reference will be made to the original plat for the description of the areas and more full list of interior corners and other special conditions.
