This plat of the resurvey of a portion of Township No. 13 North, Range No. 71 West, delineates a retracement and reestablishment of the lines of the original survey as shown on the plat approved July 10, 1873, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of areas.

Section 2 has been subdivided as necessary in order to mark the boundaries and corners of lands transferred to control of War Department by Executive order of April 3, 1931.

Resurvey authorized by Commissioner's letter "E" dated December 8, 1933 at the request of the Secretary of War, dated November 18, 1933.
