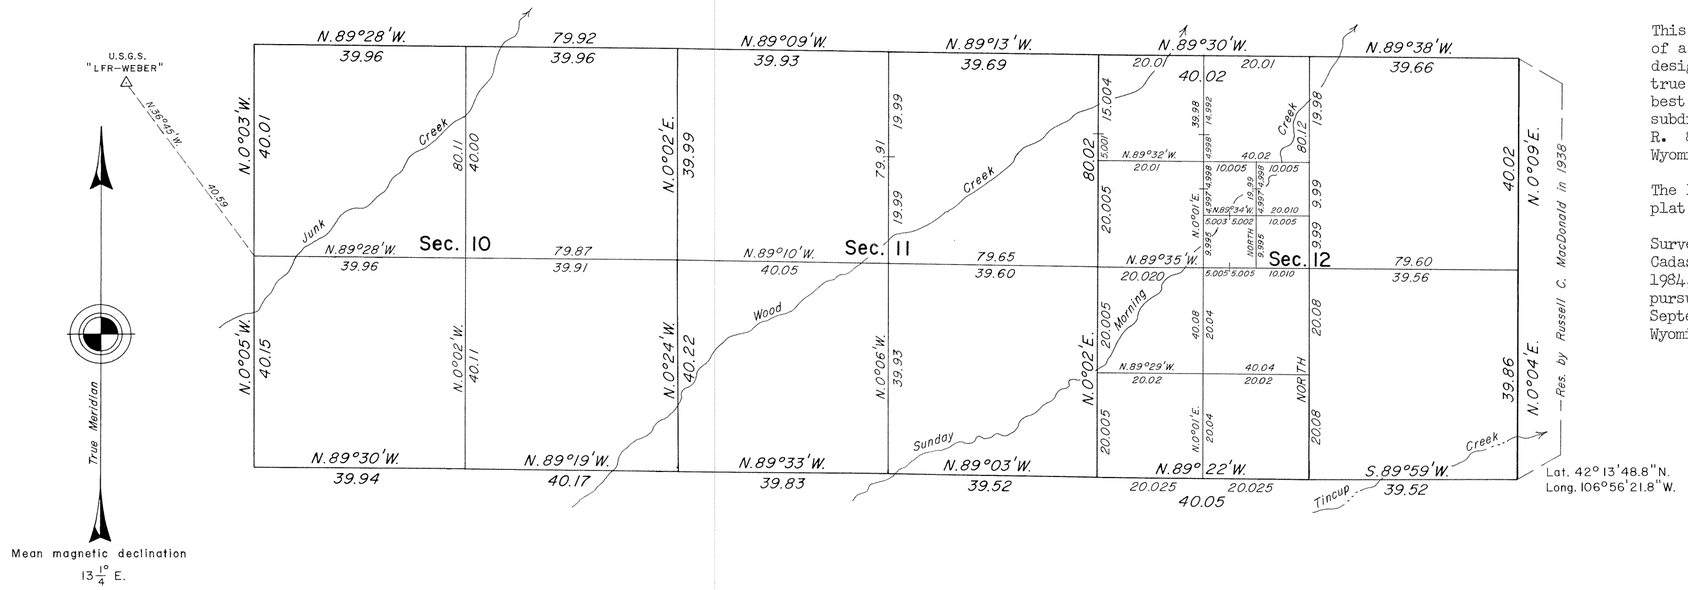
ORIGINAL

TOWNSHIP 26 NORTH, RANGE 85 WEST, OF THE SIXTH PRINCIPAL MERIDIAN, WYOMING.

DEPENDENT RESURVEY AND SUBDIVISION OF SECTIONS



A history of surveys is contained in the field notes.

This plat represents the dependent resurvey of a portion of the subdivisional lines designed to restore the corners in their true original locations according to the best available evidence, and the subdivision of certain sections, T. 26 N., R. 85 W., Sixth Principal Meridian, Wyoming.

The lottings and areas are as shown on the plat approved August 7, 1882.

Survey executed by Douglas J. Jacobson, Cadastral Surveyor, beginning October 16, 1984, and completed November 19, 1984, pursuant to Special Instructions dated September 21, 1984, for Group No. 470, Wyoming.

UNITED STATES DEPARTMENT OF THE INTERIOR
BUREAU OF LAND MANAGEMENT

Cheyenne, Wyoming April 1, 1987

This plat is strictly conformable to the approved field notes, and the survey, having been correctly executed in accordance with the requirements of law and the regulations of this Bureau, is hereby accepted.

PLAT

OF THE CLAIM OF

Matt Brantley

KNOWN AS THE

RED ROVER LODE,

IN SEMINOE (Unorg.) MINING DISTRICT, CARBON COUNTY, WYOMING

Containing an Area of _____ Acres.

Scale of 300 Feet to the inch.

Variation 19°07'E

SURVEYED AUG. 10-13, 1939 BY

George B. McFadden Mineral Surveyor, GLO

The Original Field Notes of the Survey of the Mining Claim from which this plat has been made under my direction, have been examined and approved, and are on file in this Office; and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

I further certify that Five Hundred Dollars worth of labor has been expended or improvements made upon, or for the benefit of, each location embraced in said mining claim by claimant Matt Brantley *or* his *grantors and that said improvements consist of*

2 shafts,
1 pit
and a ½ interest in a common improvement;-cut and tunnel
value $1126.00

that the location of said improvements is correctly shown upon this plat, and that no portion of or interest in said labor or improvements has been included in the estimate of expenditures upon any other claim.

And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.
