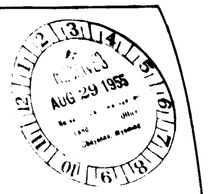
Ac. 6636

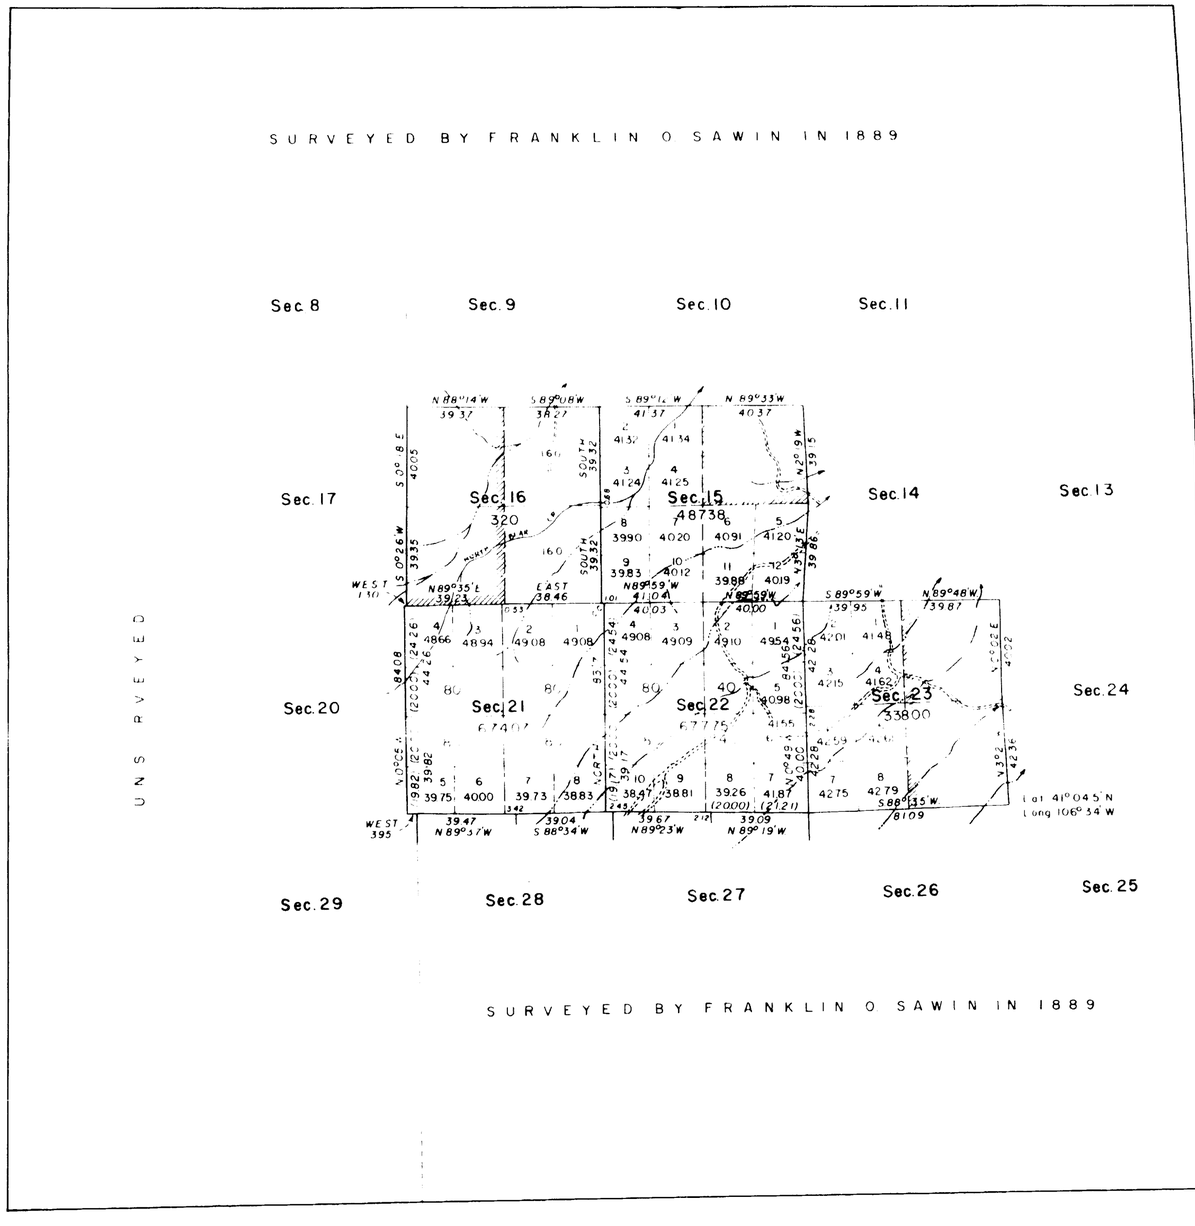
ORIGINAL



TOWNSHIP 13 NORTH, RANGE 82 WEST, OF THE SIXTH PRINCIPAL MERIDIAN, WYOMING

DEPENDENT RESURVEY & EXTENSION SURVEY

SURVEYED BY FRANKLIN O SAWIN IN 1889



10 0 10 40 80

Scale in Chains

Area resurveyed:	800.00 acres
Area surveyed:	2497.20 acres
Total	3297.20 acres

This plat represents a retracement and re-establishment of certain section lines, designed to restore the corners in their original positions according to the best available evidence, and an extension survey embracing lands in secs. 15, 16, 21, 22, and 23, previously unsurveyed.

Reference will be made to plats approved June 30, 1891 and September 12, 1901 for lottings and areas except as to the lands returned as surveyed hereon.

The history of earlier surveys is set forth in the field notes.

Dependent resurvey and extension survey executed by James M. Tolle, Cartographer (Cadastral), under Special Instructions for Group 208, Wyoming, dated August 31, 1954, from September 16 to October 19, 1954.

UNITED STATES DEPARTMENT OF THE INTERIOR
BUREAU OF LAND MANAGEMENT
Washington, D. C. June 20, 1955

This plat is strictly conformable to the approved field notes, and the survey, having been correctly executed in accordance with the requirements of law and the regulations of this Bureau, is hereby accepted.

PLAT

OF THE CLAIM OF

Manitou Copper Mining Company,

KNOWN AS THE

LAST CHANCE LODE

IN Upper Platte MINING DISTRICT,
Carbon COUNTY, Wyoming.
Containing an area of 20.661 Acres
Scale of 300 feet to the inch
Variation 15°15' E.
SURVEYED May 15 16, 1908 BY
Robert L. McCoy
U.S. Mineral Surveyor.

The Original Field Notes of the Survey of the Mining Claim of
Manitou Copper Mining Company
known as the
LAST CHANCE LODE,

from which this plat has been made under my direction, have been examined and approved, and are on file in this office, and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

I further certify that Five Hundred Dollars worth of labor has been expended or improvements made upon said Mining Claim by claimant or his grantors, and that said improvements consist of:

1 Discovery Shaft, 1 Shaft House, 2 Shafts and 1 Tunnel.

that the location of said improvements is correctly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.
