MEMORANDUM

This plat of the dependent resurvey of Township No. 29 North, Range No. 76 West, delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved January 18, 1884, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules. Reference will be made to the original plat for the showing of the areas and more detailed descriptions of the various smaller subdivisions, except for new areas which are shown hereon.

Resurvey authorized by General Land Office letter "E", dated March 21, 1941.

Denver, Colorado, Jan. 31, 1945

This plat of Township No. 29 North, Range No. 76 West, of the Sixth Principal Meridian, Wyoming, is strictly conformable to the field notes of the survey thereof which have been examined and approved.

A. C. Anthony Jr.
Supervisor of Surveys

Washington, D.C., MAY 16, 1945

The survey represented by this plat having been correctly executed in accordance with the requirements of law and the regulations of this office, is hereby accepted.

Joel David Wolfsohn
Assistant Commissioner.
