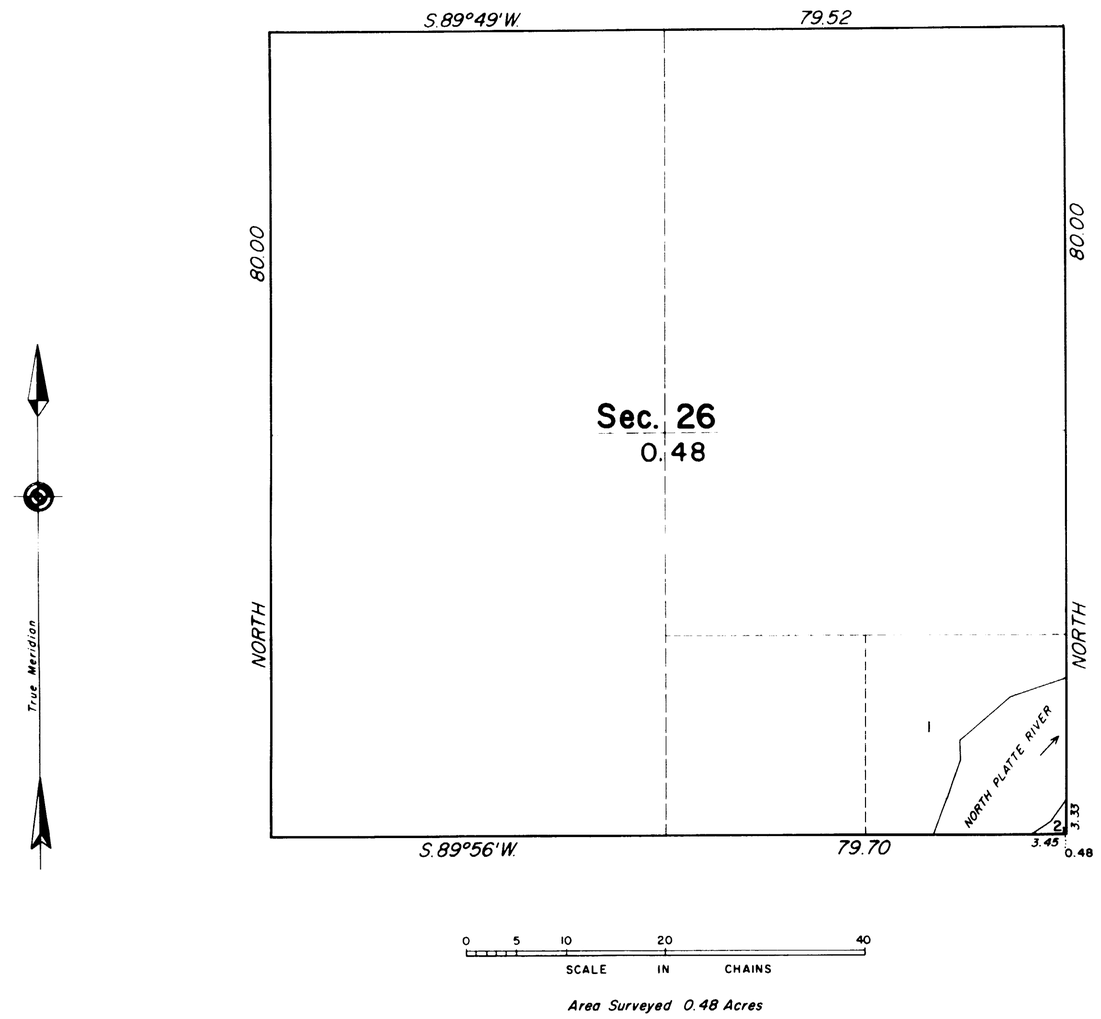
SUPPLEMENTAL PLAT OF SECTION 26



Area Surveyed 0.48 Acres

This supplemental plat of section 26, Township 21 North, Range 85 West of the Sixth Principal Meridian, Wyoming, provides for the designation and acreage of lot 2, situated on the right bank of the North Platte River in the southeast corner of section 26, as shown on the plat approved June 23, 1888, to which reference will be made for areas not shown hereon.

A field investigation by Jack A. Eaves, Supervisory Cadastral Surveyor, on June 14, 1963, reveals that there has been no appreciable change in the channel of the North Platte River, adjoining this lot, since the time of the original survey, and the size and configuration of the lot is essentially the same as shown on the plat approved June 23, 1888.
