A history of surveys is contained in the field notes.

This plat represents the dependent resurvey of a portion of the First Guide Meridian West, through Township 5 North, between Ranges 4 and 5 West, and a portion of the subdivisional lines designed to restore the corners in their true original locations locations according to the best available evidence, the subdivision of section 24, and the survey of a portion of the present right bank of the Wind River, T. 5 N., R. 5 W., Wind River Meridian, Wyoming.

Except as indicated hereon, the lottings and areas are as shown on the plat approved January 14, 1899.

Survey executed by Lynn A. Forbes, Cadastral Surveyor, beginning December 12, 2001, and completed August 7, 2002, pursuant to Special Instructions dated November 28, 2001, for Group No. 700, Wyoming.

UNITED STATES DEPARTMENT OF THE INTERIOR
BUREAU OF LAND MANAGEMENT

Cheyenne, Wyoming — June 9, 2003

This plat is strictly conformable to the approved field notes, and the survey, having been correctly executed in accordance with the requirements of law and the regulations of this Bureau, is hereby accepted.

For the Director

John P. Lee

Chief Cadastral Surveyor for Wyoming

W.H.B.\ L.L.M.
