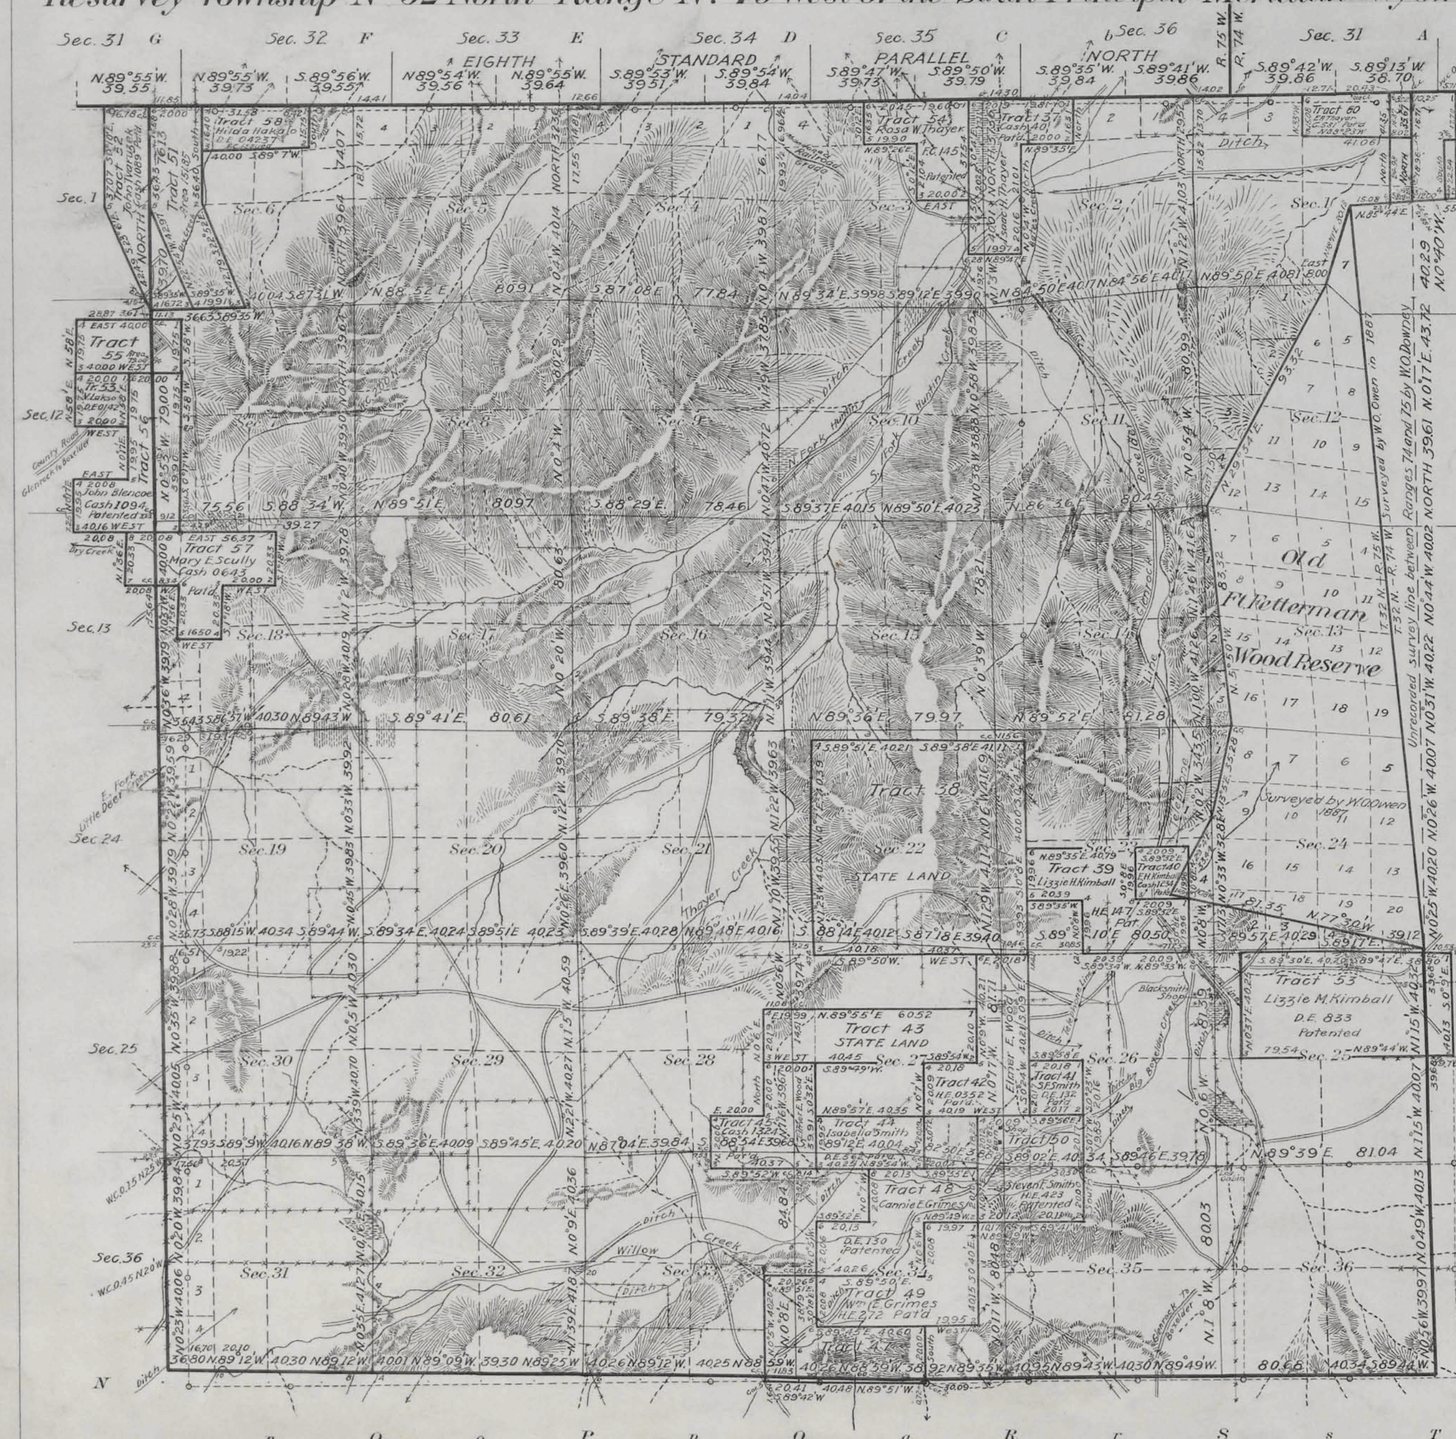
Resurvey Township No. 32 North Range No. 75 West of the Sixth Principal Meridian Wyoming



See Supplemental Plat No. 1, Secs. 1, 2, 3, 6, 7, and 18.
See Supplemental Plat No. 2, Secs. 22, 23, 24, 25, 26, 27 28, 33, 34, 35 and 36.
See INDEX DIAGRAM of Segregated Tracts.

For description of conflicts see Supp. Plats Nos. 1 and 2.

The resurvey represented by this plat was made for the purpose of restoring all lost and obliterated corners and relocating and marking out upon the ground the exterior and subdivision lines in accordance with the original survey by W. O. Downey, approved January 18, 1884.

The position of the obliterated survey of W. O. Owen approved December 4, 1891 is shown by dotted lines.

Titles based upon the original plat remain undisturbed for position and description except where titles claimed on the basis of the Owen survey or on conflicting evidences of the Downey survey have been secured by segregated tract surveys.

Areas based on the original plat remain undisturbed except where fractional lots of vacant public land are created by the intrusion of the segregated tracts or by the revision of the North Bdy. of the Old Ft. Fetterman Wood Reserve from the condition indicated on the Downey plat of T. 32 N., R. 75 W. approved Jan. 18, 1884.

All legal subdivisions and fractional lots not affected by the present resurvey are subject to disposal on the basis of the Downey plat approved Jan. 18, 1884.

All new fractional lots are subject to disposal on the basis of Supp. Plats 1 and 2.
