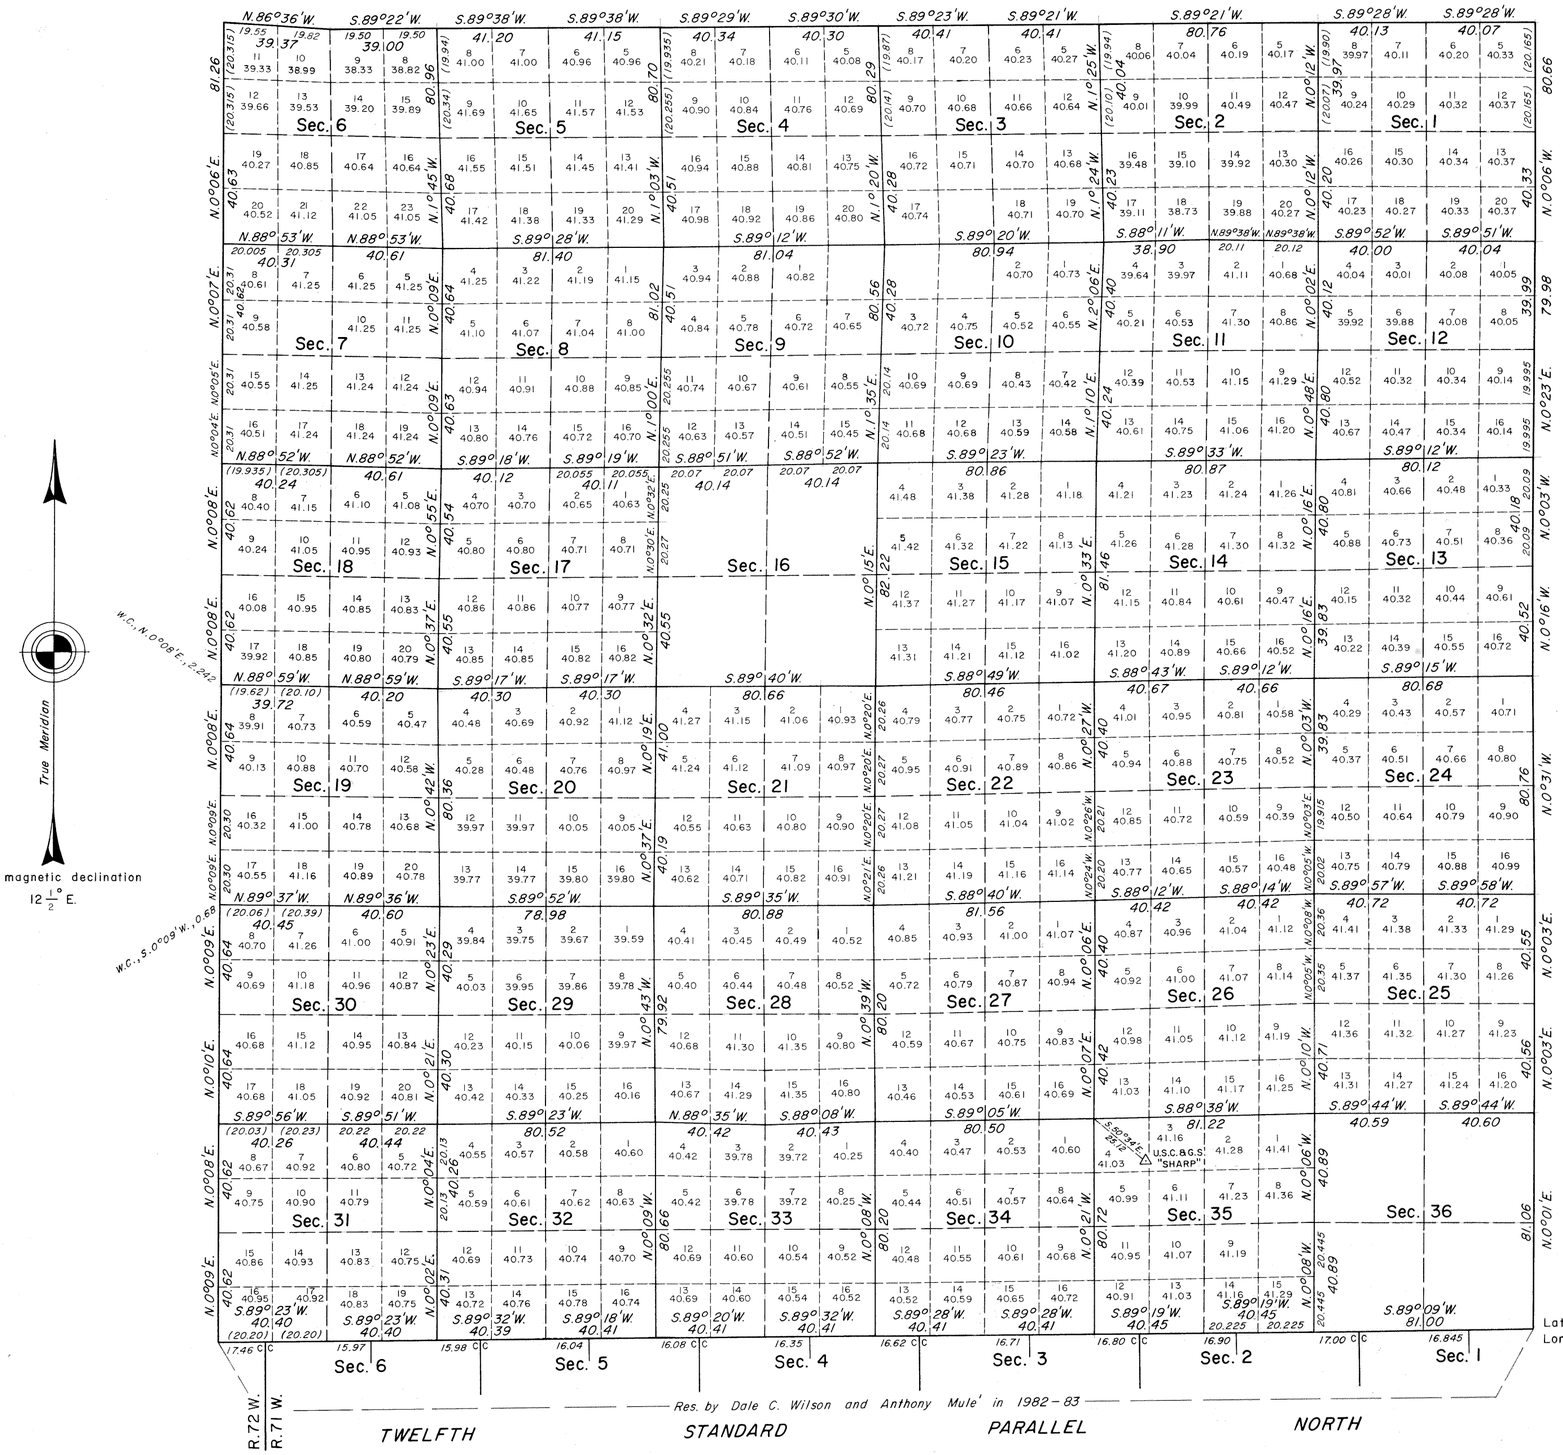
ORIGINAL

TOWNSHIP 49 NORTH, RANGE 71 WEST, OF THE SIXTH PRINCIPAL MERIDIAN, WYOMING.

DEPENDENT RESURVEY



A history of surveys is contained in the field notes.

The east boundary was dependently resurveyed by Paul J. Fisher during the resurvey of T. 49 N., R. 70 W., executed concurrently under this same group.

This plat represents the dependent resurvey of the west and north boundaries and the subdivisional lines designed to restore the corners in their true original locations according to the best available evidence, T. 49 N., R. 71 W., Sixth Principal Meridian, Wyoming.

Certain modified lots and areas shown hereon pertain to Federal interest estate only. Except as indicated hereon, the lottings and areas are as shown on the plat approved March 10, 1883.

Survey executed by Paul J. Fisher, Cadastral Surveyor, beginning October 23, 1984, and completed July 11, 1985, pursuant to Special Instructions dated July 5, 1984, for Group No. 463, Wyoming.

UNITED STATES DEPARTMENT OF THE INTERIOR
BUREAU OF LAND MANAGEMENT

Cheyenne, Wyoming — September 8, 1988

This plat is strictly conformable to the approved field notes, and the survey, having been correctly executed in accordance with the requirements of law and the regulations of this Bureau, is hereby accepted.

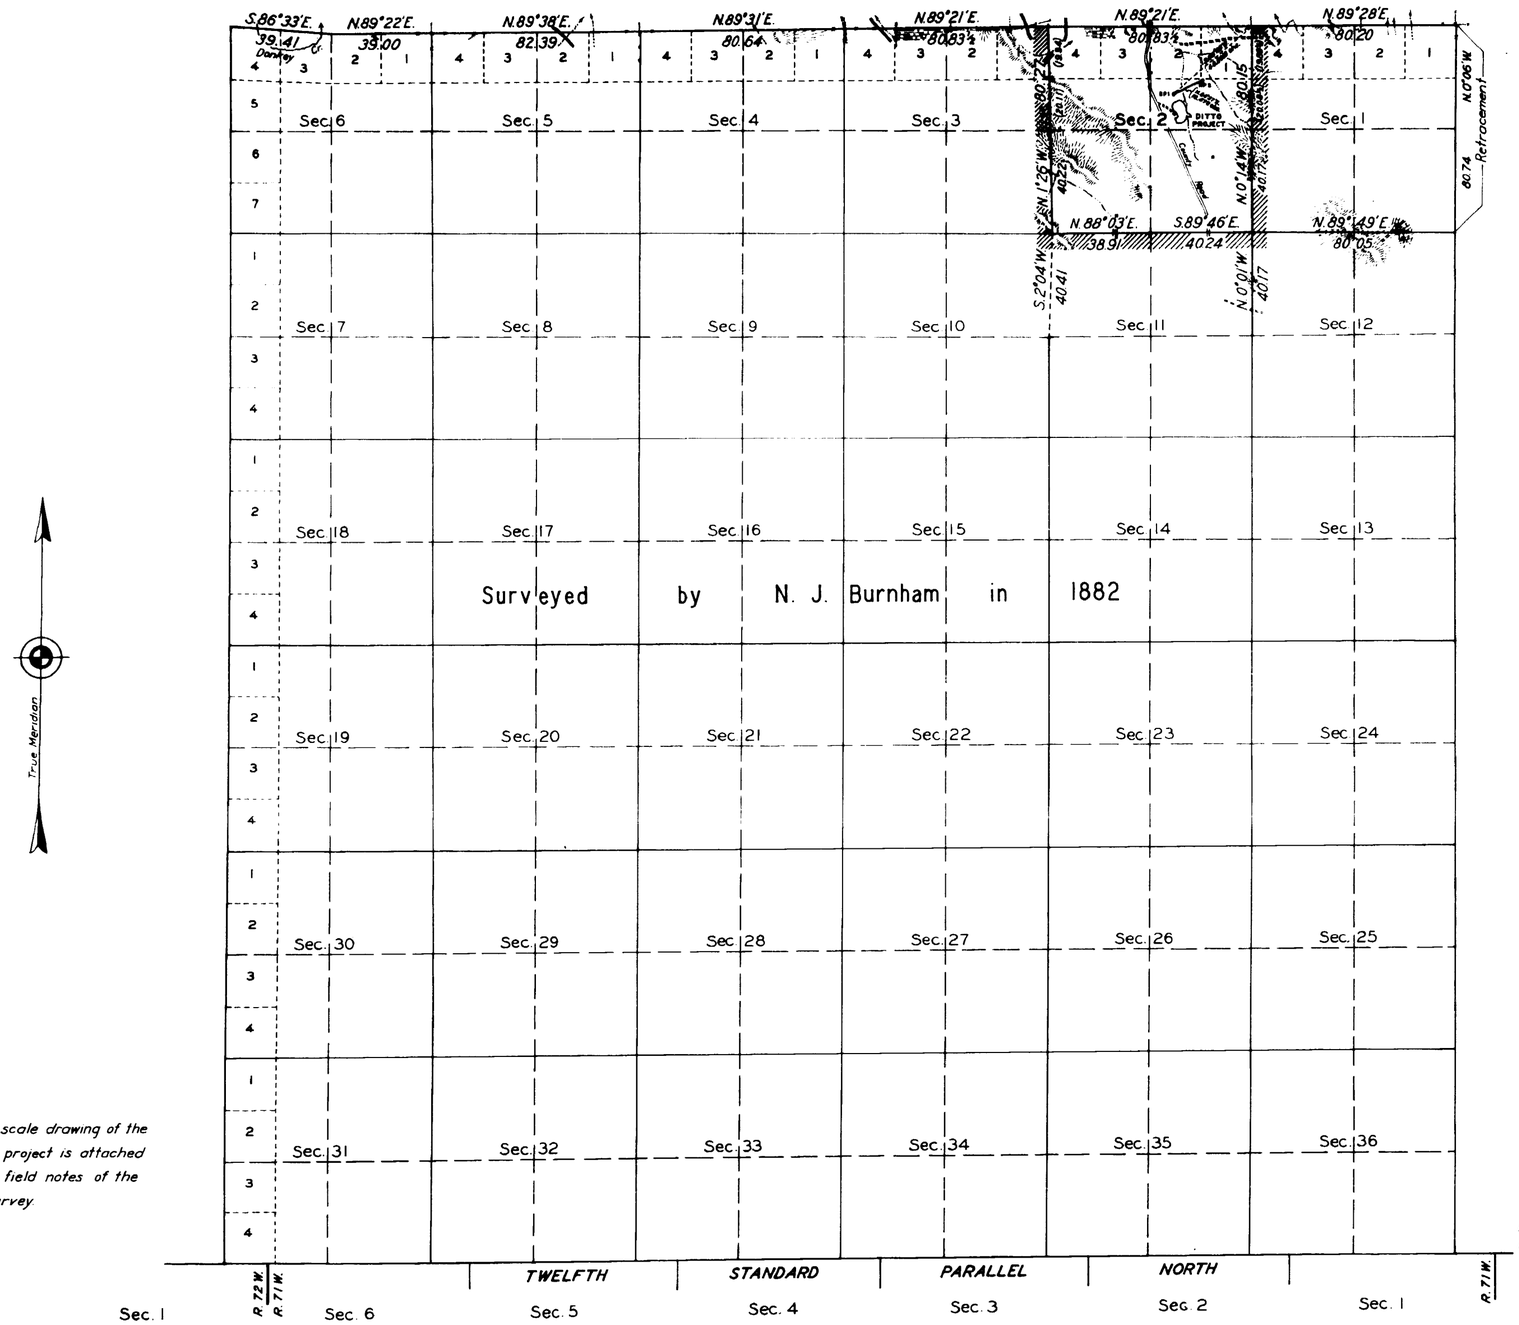
ORIGINAL

DEPENDENT RESURVEY OF PORTION OF

TOWNSHIP Nº 49 NORTH, RANGE Nº 71 WEST OF THE SIXTH PRINCIPAL MERIDIAN, WYOMING



This plat of the resurvey of a portion of Township No. 49 North, Range No. 71 West, delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved March 10, 1883, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas and the more detailed descriptions of the various smaller subdivisions.

Resurvey authorized by Commissioner's letter "A" dated August 3, 1935.

NOTE: A large scale drawing of the Ditto coal fire project is attached to the record field notes of the township resurvey.

Latitude 44° 10' N.
Longitude 105° 20' W.
