All tract segregations shown hereon represent the position and form of said tracts under the original description as referred to the original survey; located as such on the ground according to the best available evidence of what should be their true positions, after the discrepancies in the record of the original survey are taken into consideration. See Commissioner's Letter "E" September 27, 1918

The above statement also applies to claims which conform to the lines of the resurvey.

All entries, whether patented or unpatented, not shown hereon as segregated tracts nor shown in accompanying index, are intended to conform to the lines of the resurvey under their original description.
