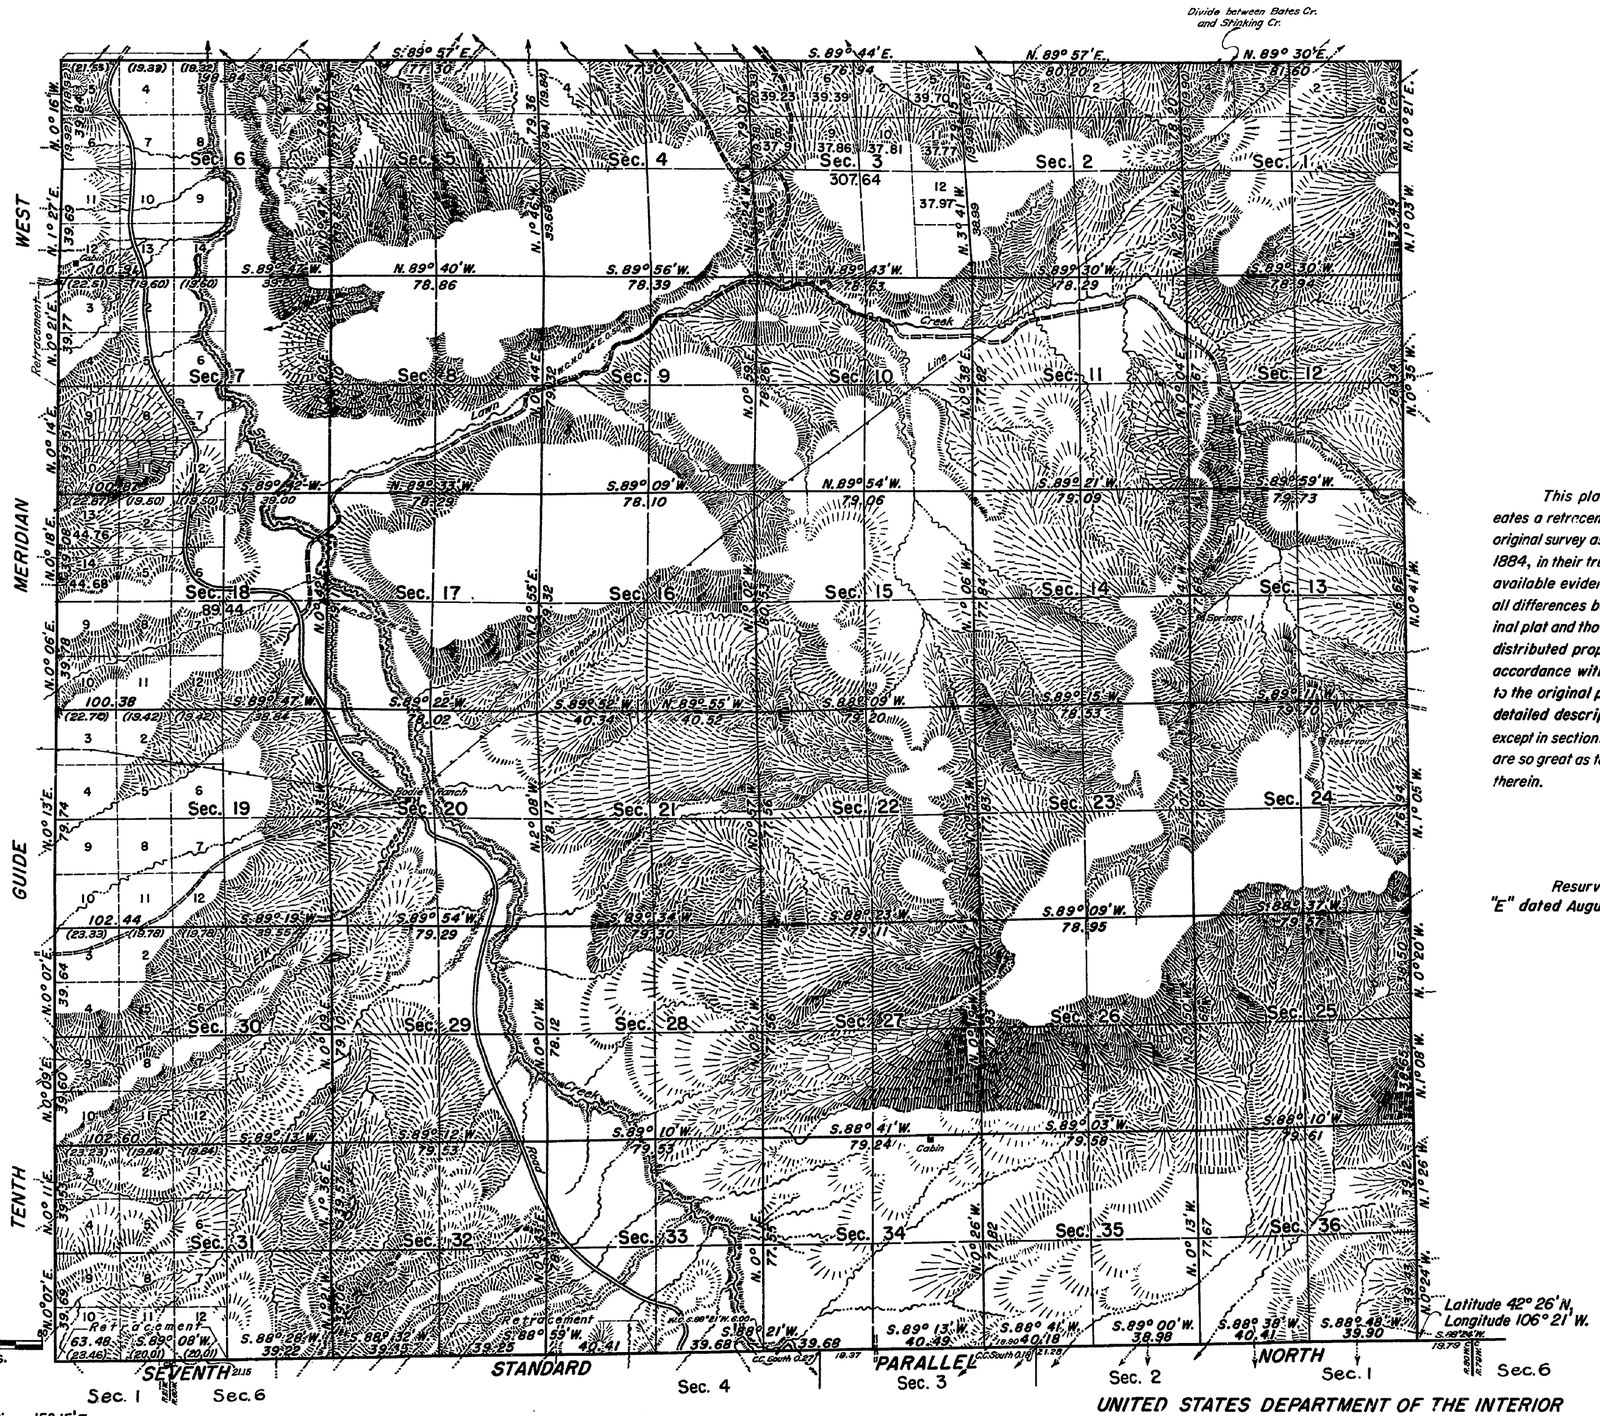
TOWNSHIP Nº 29 NORTH, RANGE Nº 80 WEST OF THE SIXTH PRINCIPAL MERIDIAN, WYOMING

DEPENDENT RESURVEY



This plat of the resurvey of T. 29 N., R. 80 W., delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved February 8, 1884, in their true original position according to the best available evidence of the position of the original corners; all differences between measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of areas and more detailed descriptions of the various smaller subdivisions, except in sections 3 and 18, where the differences in area are so great as to warrant a recalculation of the public lands therein.

Resurvey authorized by Commissioner's letter "E" dated August 12, 1935.

Mean Magnetic Declination, 15° 15' E.

Area Resurveyed, 24,154.46 Acres.
