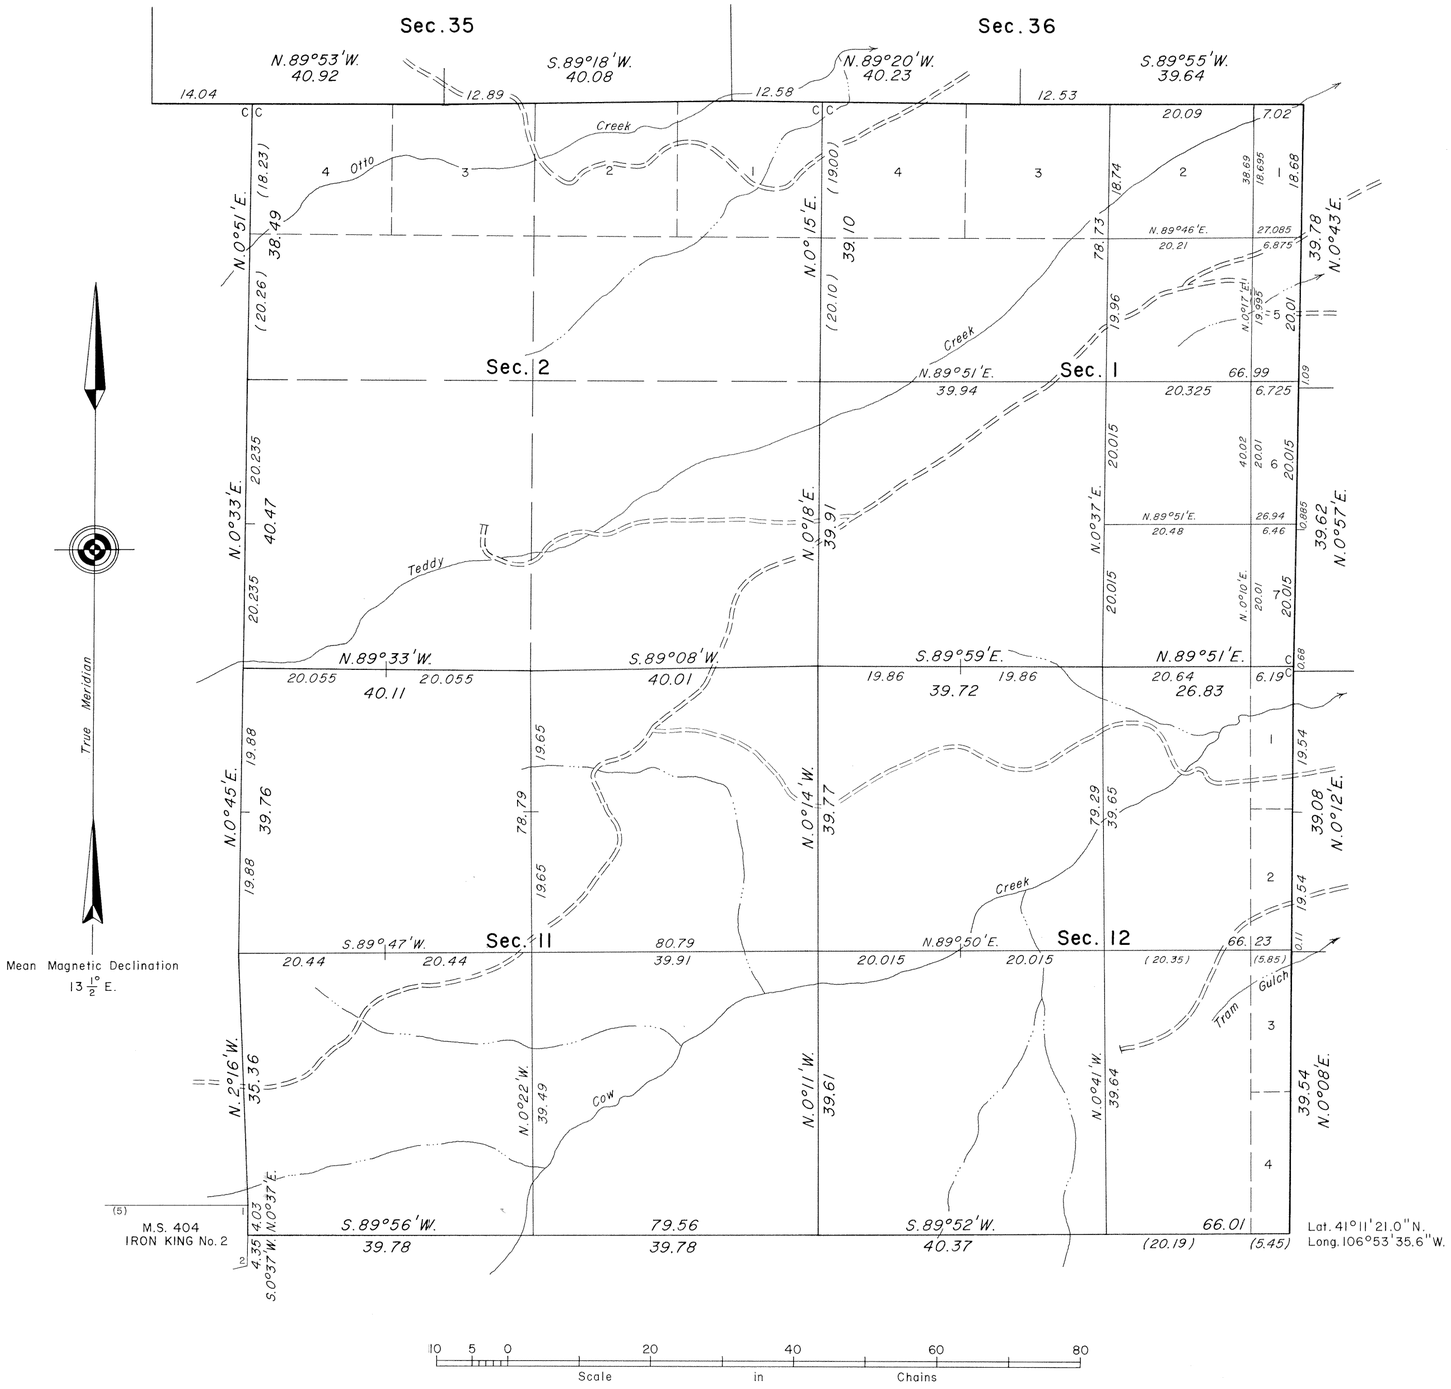
ORIGINAL

TOWNSHIP 14 NORTH, RANGE 85 WEST, OF THE SIXTH PRINCIPAL MERIDIAN, WYOMING.

DEPENDENT RESURVEY AND SUBDIVISION OF SECTIONS 1, 11 AND 12



Lat. 41°11'21.0"N.
Long. 106°53'35.6"W.

A history of surveys is contained in the field notes.

A portion of the east boundary was dependently resurveyed by William H. Herbst during the resurvey of T. 14 N., R. 84 W., executed concurrently under this same group.

This plat represents the dependent resurvey of a portion of the north boundary and a portion of the subdivisional lines designed to restore the corners in their true original locations according to the best available evidence, and the subdivision of sections 1, 11 and 12, T. 14 N., R. 85 W., Sixth Principal Meridian, Wyoming.

The lottings and areas are as shown on the plat approved June 20, 1899.

Survey executed by William H. Herbst, Supervisory Cadastral Surveyor, beginning October 3, 1977, and completed November 2, 1977, pursuant to Special Instructions dated April 14, 1977, and Supplemental Special Instructions dated August 19, 1977, for Group No. 395, Wyoming.

UNITED STATES DEPARTMENT OF THE INTERIOR
BUREAU OF LAND MANAGEMENT

Cheyenne, Wyoming January 13, 1984

This plat is strictly conformable to the approved field notes, and the survey, having been correctly executed in accordance with the requirements of law and the regulations of this Bureau, is hereby accepted.

For the Director

Richard L. Oakes

Chief Cadastral Surveyor

PLAT

OF THE CLAIM OF

P. C. Armbruster and F. P. Armbruster

KNOWN AS THE

BOWMAN AND GUSSIE A. LODES

IN UPPER PLATTE MINING DISTRICT, CARBON COUNTY, WYOMING

Containing an Area of 40.384 Acres.

Scale of 300 Feet to the inch.

Variation 15° 20' E.

SURVEYED AUGUST 20 – 23 1904 BY T. Russell Countryman, U.S. Deputy Mineral Surveyor,

The Original Field Notes of the Survey of the Mining Claim of P. C. Armbruster and F. P. Armbruster known as the

BOWMAN AND GUSSIE A. LODES

from which this plat has been made under my direction, have been examined and approved, and are on file in this office, and I hereby certify that they furnish such an accurate description of said Mining Claim, as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

I further certify that Five Hundred Dollars worth of labor has been expended, or improvements made upon said Mining Claim by claimant or their grantors, and that said improvements consist of

2 discovery shafts and 3 shafts

that the location of said improvements is correctly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.

PLAT

OF THE CLAIM OF

The Big Chief Mining Co.

KNOWN AS THE

BIG CHIEF AND FRANKLIN LODES

IN UPPER PLATTE MINING DISTRICT,
CARBON COUNTY, WYOMING
Containing an Area of 22.966 Acres.
Scale of 300 Feet to the inch.
Variation 15° 20' E
SURVEYED FEBRUARY 22 MARCH 24, 1903
BY Robert Z. McCoy,
U.S. Deputy Mineral Surveyor,

The Original Field Notes of the Survey of the Mining Claim of The Big Chief Mining Co. known as the

BIG CHIEF AND FRANKLIN LODES

from which this plat has been made under my direction, have been examined and approved, and are on file in this Office; and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

I further certify that Five Hundred Dollars worth of labor has been expended, or improvements made, upon said Mining Claim, by claimant or its grantor, and that said improvements consist of

Two Discovery Cuts, two Blacksmith Shops, one Shaft and one Tunnel

that the location of said improvements is correctly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.
