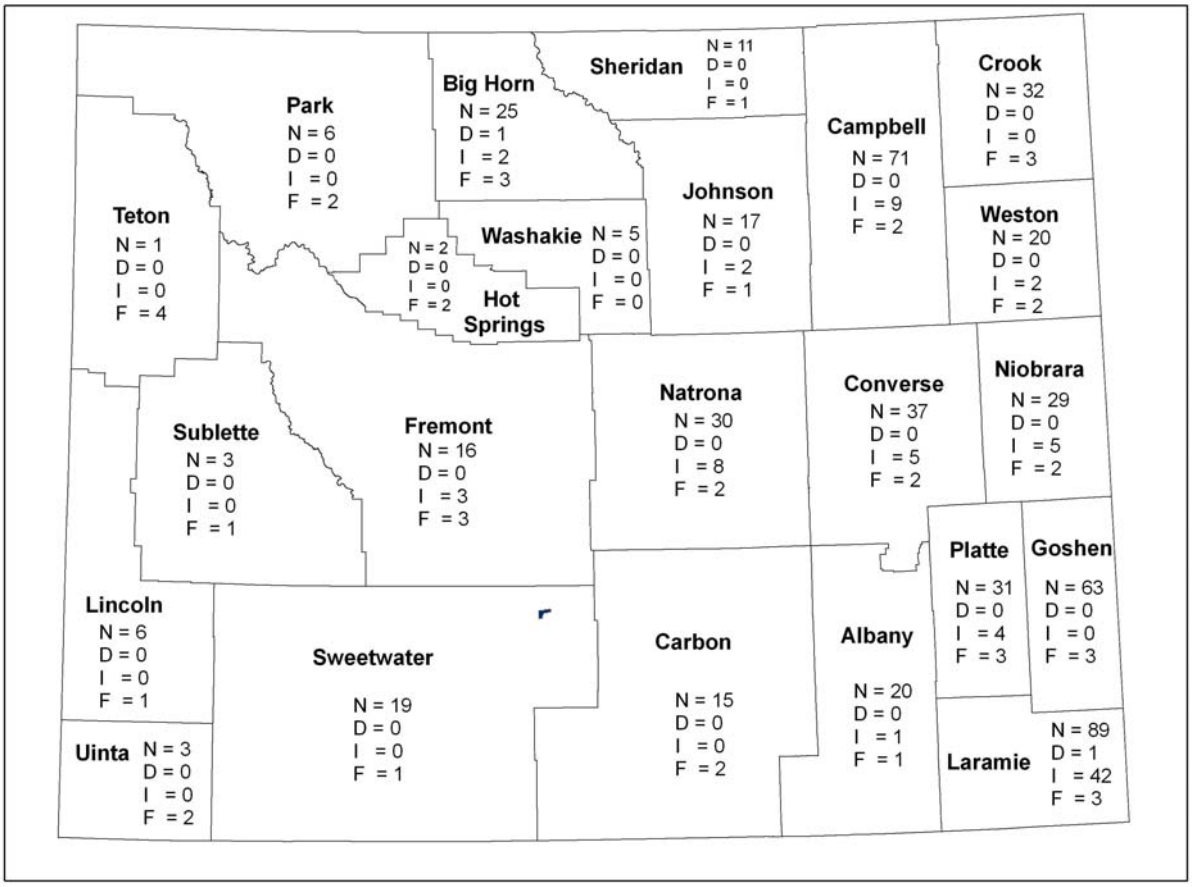
Figure 3.7-4. Tornado Statistics by County (1950–2004)



Source: Storm Prediction Center, 2005
Legend:
N = total number of tornadoes reported
D = deaths
I = injuries
F = Fujita scale index of most destructive storm (0 = gale tornado, 1 = moderate tornado, 2 = significant tornado, 3 = severe tornado, 4 = devastating tornado, 5 = incredible tornado, 6 = inconceivable tornado)
