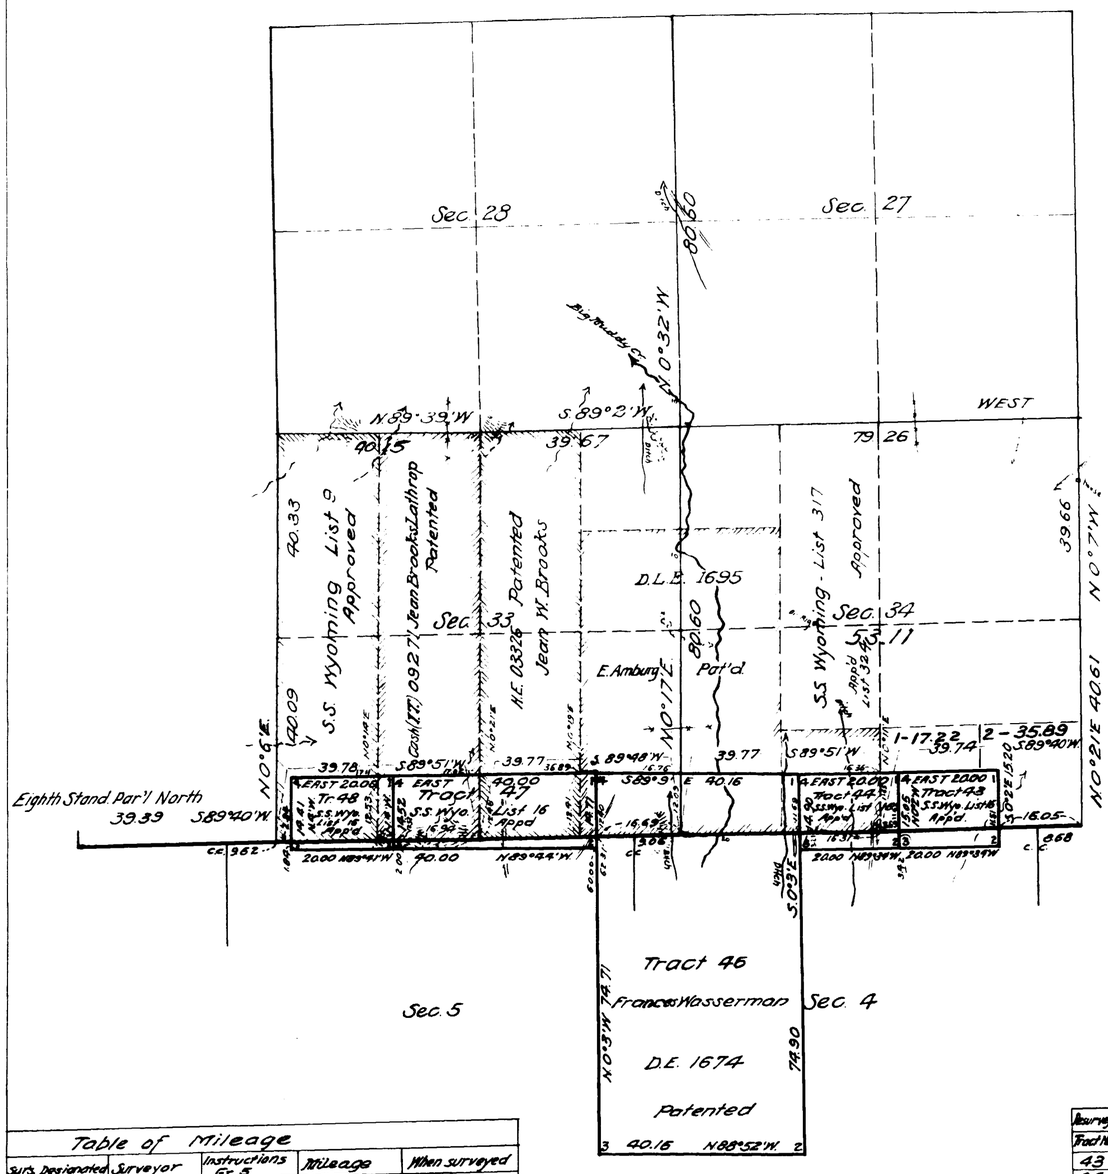
Accepted June 21.1922

Resurvey of Secs. 33 and 34, Township No. 33 North, Range 77 West of the Sixth Principal Meridian, Wyoming.

Scale 1 in. = 20 chs.

This Plat of the resurvey of Secs. 33 and 34, Township No. 33 North, Range No. 77 West of the Sixth Principal Meridian, Wyoming, delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved June 4, 1883, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas and more detailed descriptions of the various smaller subdivisions except in the case of legal subdivisions of public lands made fractional lots by the invasion of segregated Tracts created in the approved resurvey of T. 32 N., R. 77 W.



Note: The following notation is placed upon this plat in accordance with the memorandum dated April 3, 1963, Group 5, Wyoming (Misc. 129361), from the Chief Division of Engineering:

The original plat approved June 4, 1883, has served as a basis for the divestment of title to lands within secs. 33 and 34 without reference to or affected by the manner of the segregation of Tracts 43, 44, 46, 47, and 48 as shown hereon. Further reference to aliquot parts within secs. 33 and 34 for administrative purposes should be to those as shown upon the plat approved June 4, 1883, and not to this plat.

STATEMENT OF CONFLICTS.

TRACT 44 with Pat'd D.L.E. 1695

Area of Tract 44	29.80 acs.
