MEMORANDUM

This plat delineates a retracement and reestablishment of the lines of the original survey in their true original positions according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of areas and more detailed descriptions of the various smaller subdivisions.

Resurvey authorization re-instated by General Land Office Letter "E" dated June 26, 1934.

UNITED STATES DEPARTMENT OF THE INTERIOR
GENERAL LAND OFFICE

Denver, Colorado, February 11, 1946.

This plat is strictly conformable to the field notes of the survey which have been examined and approved.

Supervisor of Surveys.

Washington, D. C., July 8, 1946

The survey represented by this plat, having been correctly executed in accordance with the requirements of law and the regulations of this office, is hereby accepted.

Acting Assistant Commissioner.
