PLAT

OF THE CLAIM OF

Galena Ridge Mining Co.

KNOWN AS THE

BUCKSKIN'S LAST CHANCE, GREAT UNKNOWN AND MONUMENT LODES

IN WOOD RIVER MINING DISTRICT, BIG HORN COUNTY, WYOMING

Containing an Area of 42.342 Acres.

Scale of 300 Feet to the inch.

Variation 17.50' E.

SURVEYED OCTOBER 10 - DECEMBER 10, 1903 BY

Albert B. Gidley,

U.S. Deputy Mineral Surveyor,

The original Field Notes of the Survey of the Mining Claim of Galena Ridge Mining Co.

known as the

BUCKSKIN'S LAST CHANCE, GREAT UNKNOWN AND MONUMENT LODES

from which this plat has been made under my direction, have been examined and approved, and are on file in this office; and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

I further certify that Five Hundred Dollars worth of labor has been expended or improvements made upon said Mining Claim by claimant or its grantors, and that said improvements consist of

three Discovery Cuts and one Tunnel

for the benefit of each lode or an aggregate equal to

that the location of said improvements is correctly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.
