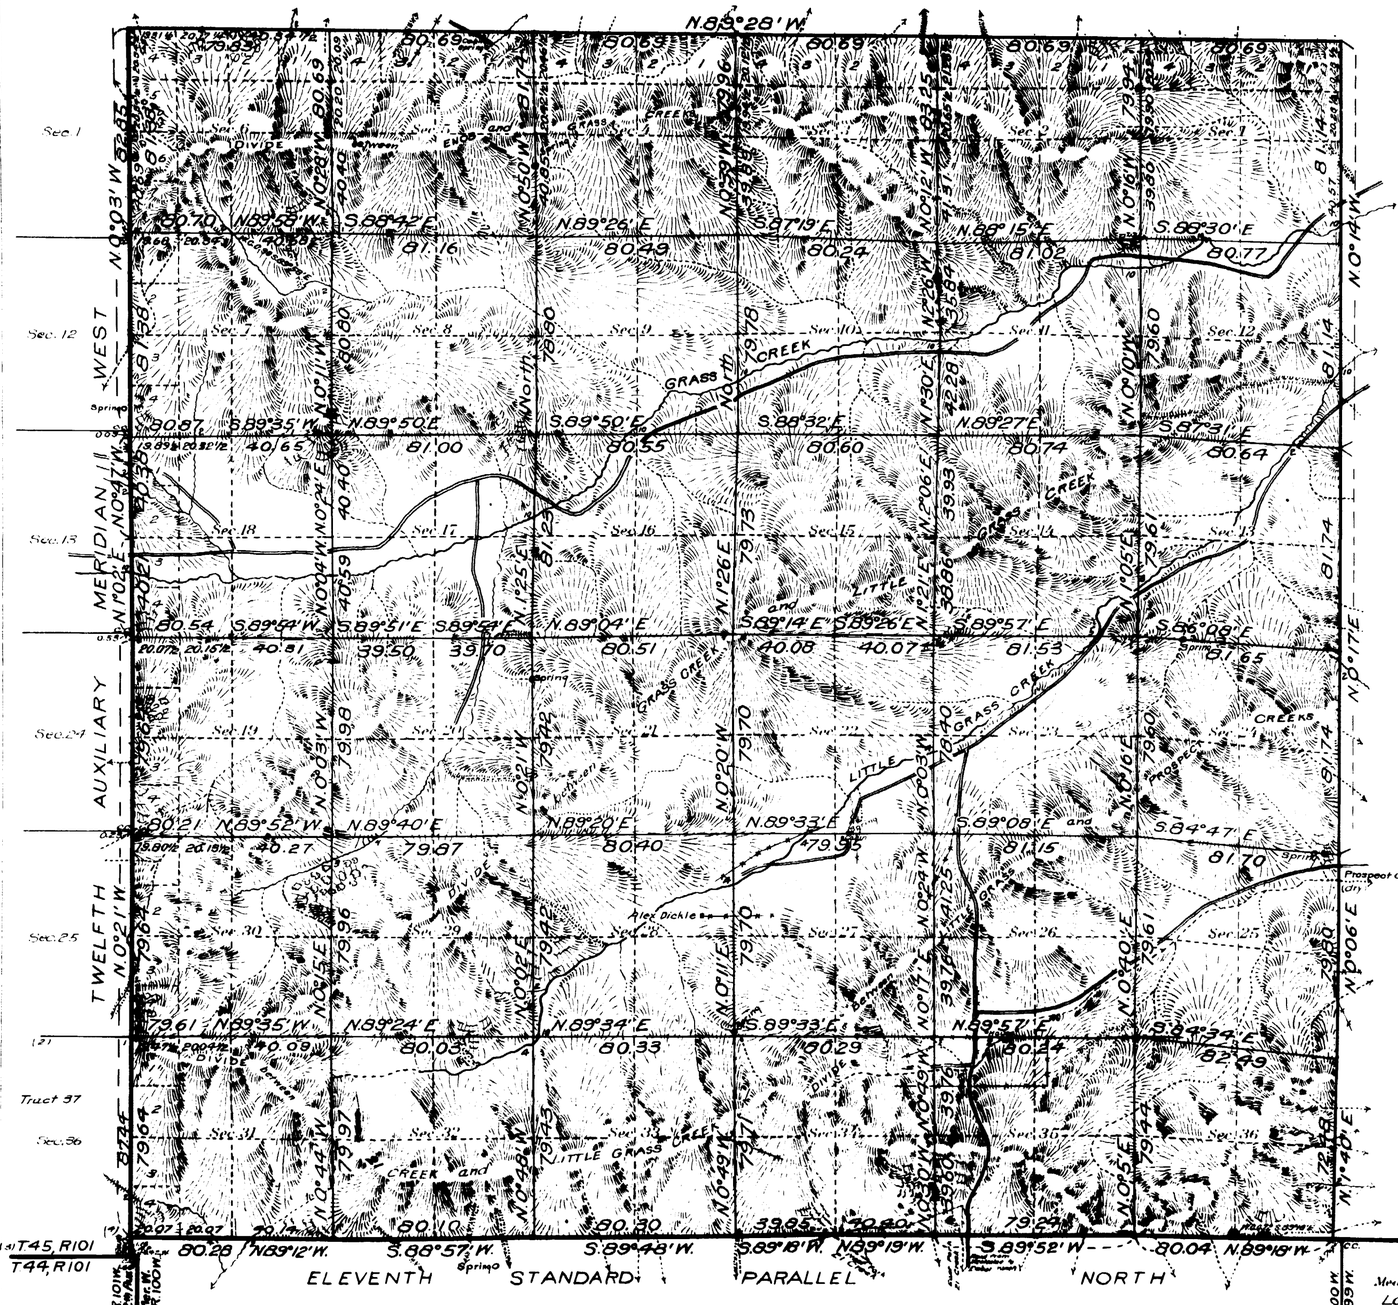
Resurvey Township No 45 North, Range No 100 West of the Sixth Principal Meridian, Wyoming



This plat of the resurvey of T. 45 N., R. 100 W., 6th P.M., delineates a retracement and reestablishment of the lines of the original survey as shown on the plat thereof approved February , 1902, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for such data in regard to areas and more detailed description of the various subdivisions.
