SURVEYED BY

William O. Owen
U. S. Deputy Mineral Surveyor.

January 12-20, 1891

The original Field Notes of the Survey of the Claim of Charles A. Guernsey upon the General Sheridan, General Dodge, Black Prince, Republic, Douglas, Fairview, Fidelity, Vulcan, Cumberland, Jay Bird, Oregon, Grand View, Iron Chief, Alaska, Old Sledge and Hancock Lodes, from which this plat has been made, have been examined and approved and are on file in this office; and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects and permanent monuments as will perpetuate and fix the locus thereof. I further certify that the value of the labor and improvements placed thereon by the applicant or his grantors, is not less than Five Hundred Dollars, and that said improvements consist of twelve open cuts, eighteen tunnels, thirty-one shafts and one incline,

as appears by the affidavit of the deputy surveyor. And I further certify that this is a correct Plat of said Mining Claim made in conformity with said original field notes of the survey thereof.
