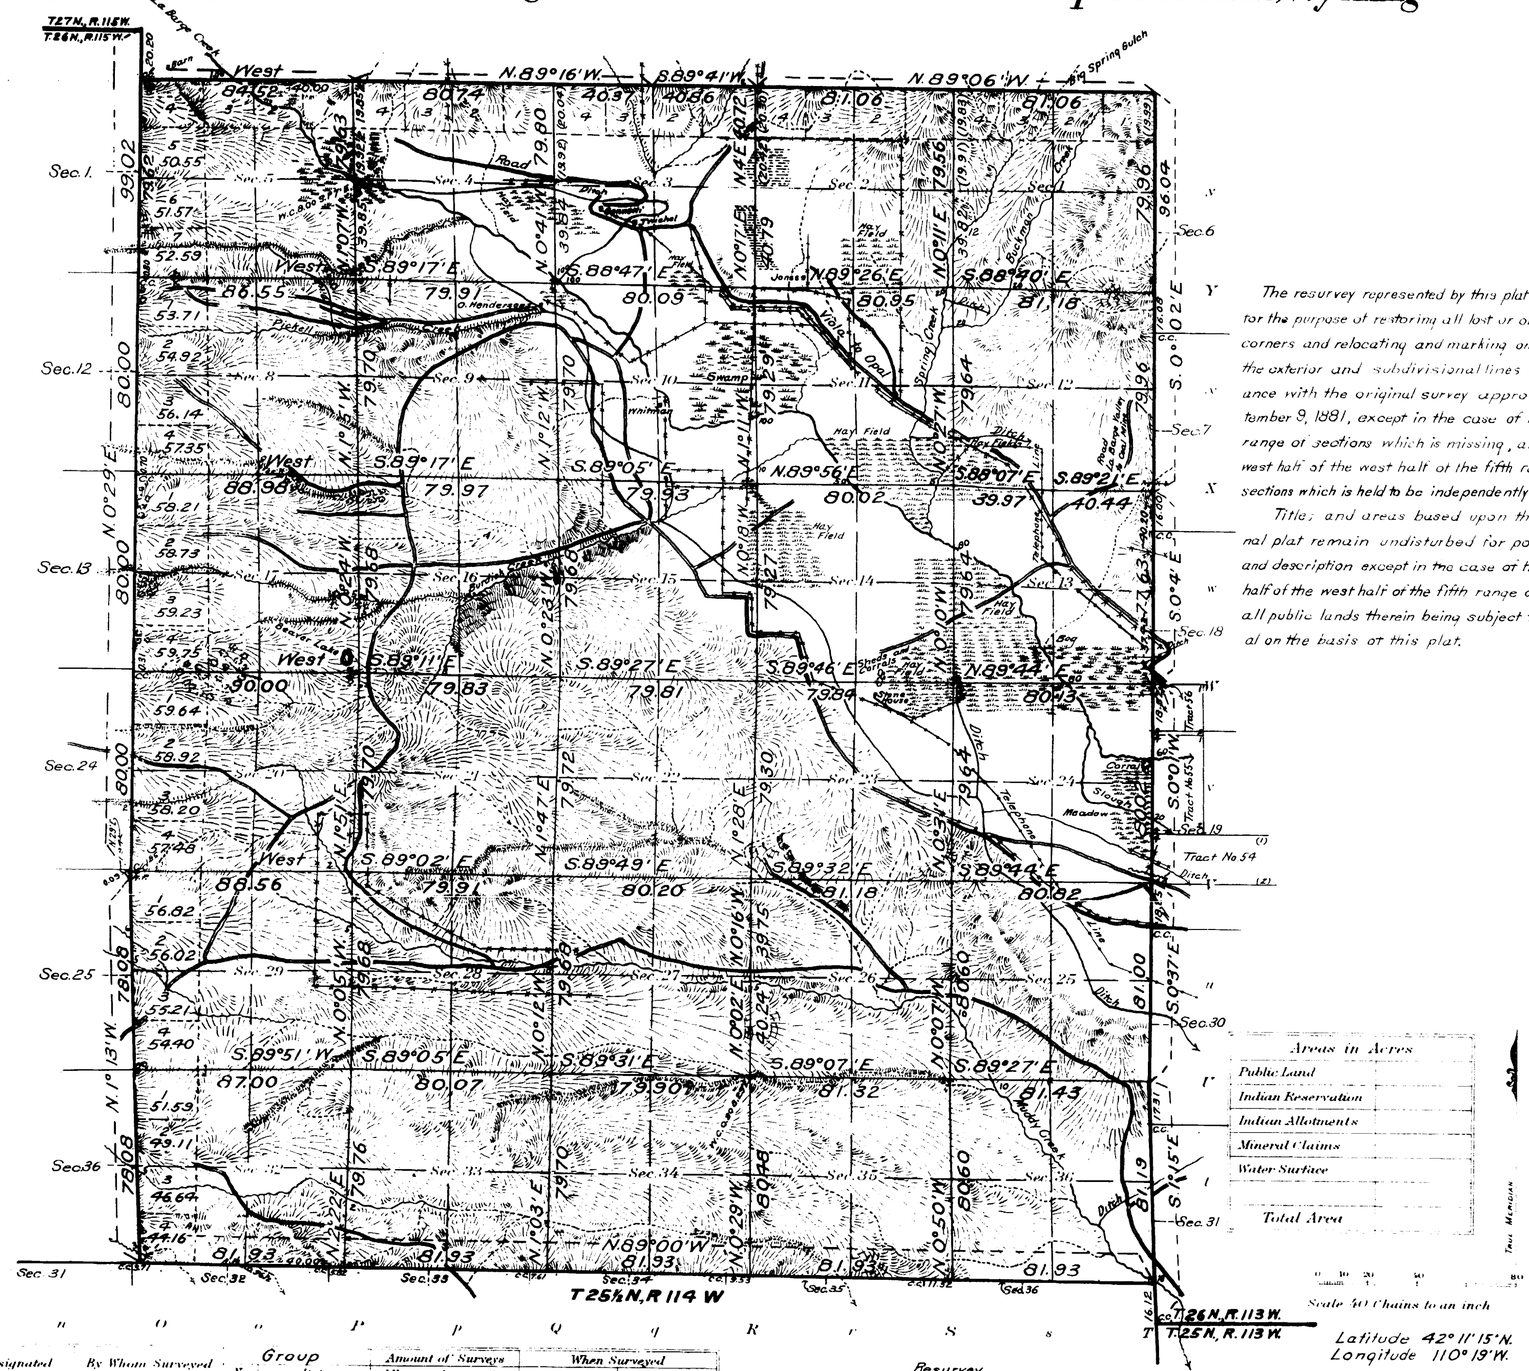
ORIGINAL

Accepted May 13, 1925

Resurvey Township No. 26 North, Range No. 114 West of the Sixth Principal Meridian, Wyoming



The resurvey represented by this plat was made for the purpose of restoring all lost or obliterated corners and relocating and marking on the ground the exterior and subdivisional lines in accordance with the original survey approved September 9, 1881, except in the case of the west range of sections which is missing, and the west half of the west half of the fifth range of sections which is held to be independently surveyed.

Titles and areas based upon the original plat remain undisturbed for position and description except in the case of the west half of the west half of the fifth range of sections; all public lands therein being subject to disposal on the basis of this plat.
