PLAT

OF THE CLAIM OF

UNITED STATES PHOSPHATE COMPANY

KNOWN AS THE

BREATHIT AND FRYERSON MILL SITES

IN UNORGANIZED MINING DISTRICT,
LINCOLN COUNTY, WYOMING
Containing an Area of 9.980 Acres
Scale of 400 feet to the inch
Variation 18° 00' E.
SURVEYED JUNE 30 - JULY 2, 1915 BY
JOB H. WINWOOD
U.S. Deputy Mineral Surveyor.

The Original Field Notes of the Survey of the Mining Claim of
UNITED STATES PHOSPHATE COMPANY
known as the

BREATHIT AND FRYERSON MILL SITES

from which this plat has been made under my direction, have been examined and approved, and are on file in this office; and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

I further certify that Five Hundred Dollars worth of labor has been expended (on account of said claim) or improvements made upon said Mining Claim by claimant or its grantors, (for the benefit of each location) and that said improvements consist of 1 Reduction Mill, 1 Blacksmith Shop, 1 Compressor House, 1 Boarding and Bunk House, and 1 Main Tunnel

that the location of said improvements is correctly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.
