MEMORANDUM

This plat of the dependent resurvey of Township No 30 North, Range No 85 West, delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved August 14, 1882, in their true original position according to the best available evidence of the position of the original corners. All differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules. Reference will be made to the original plat for the showing of the areas and more detailed descriptions of the various smaller subdivisions, except for new areas which are shown hereon.
