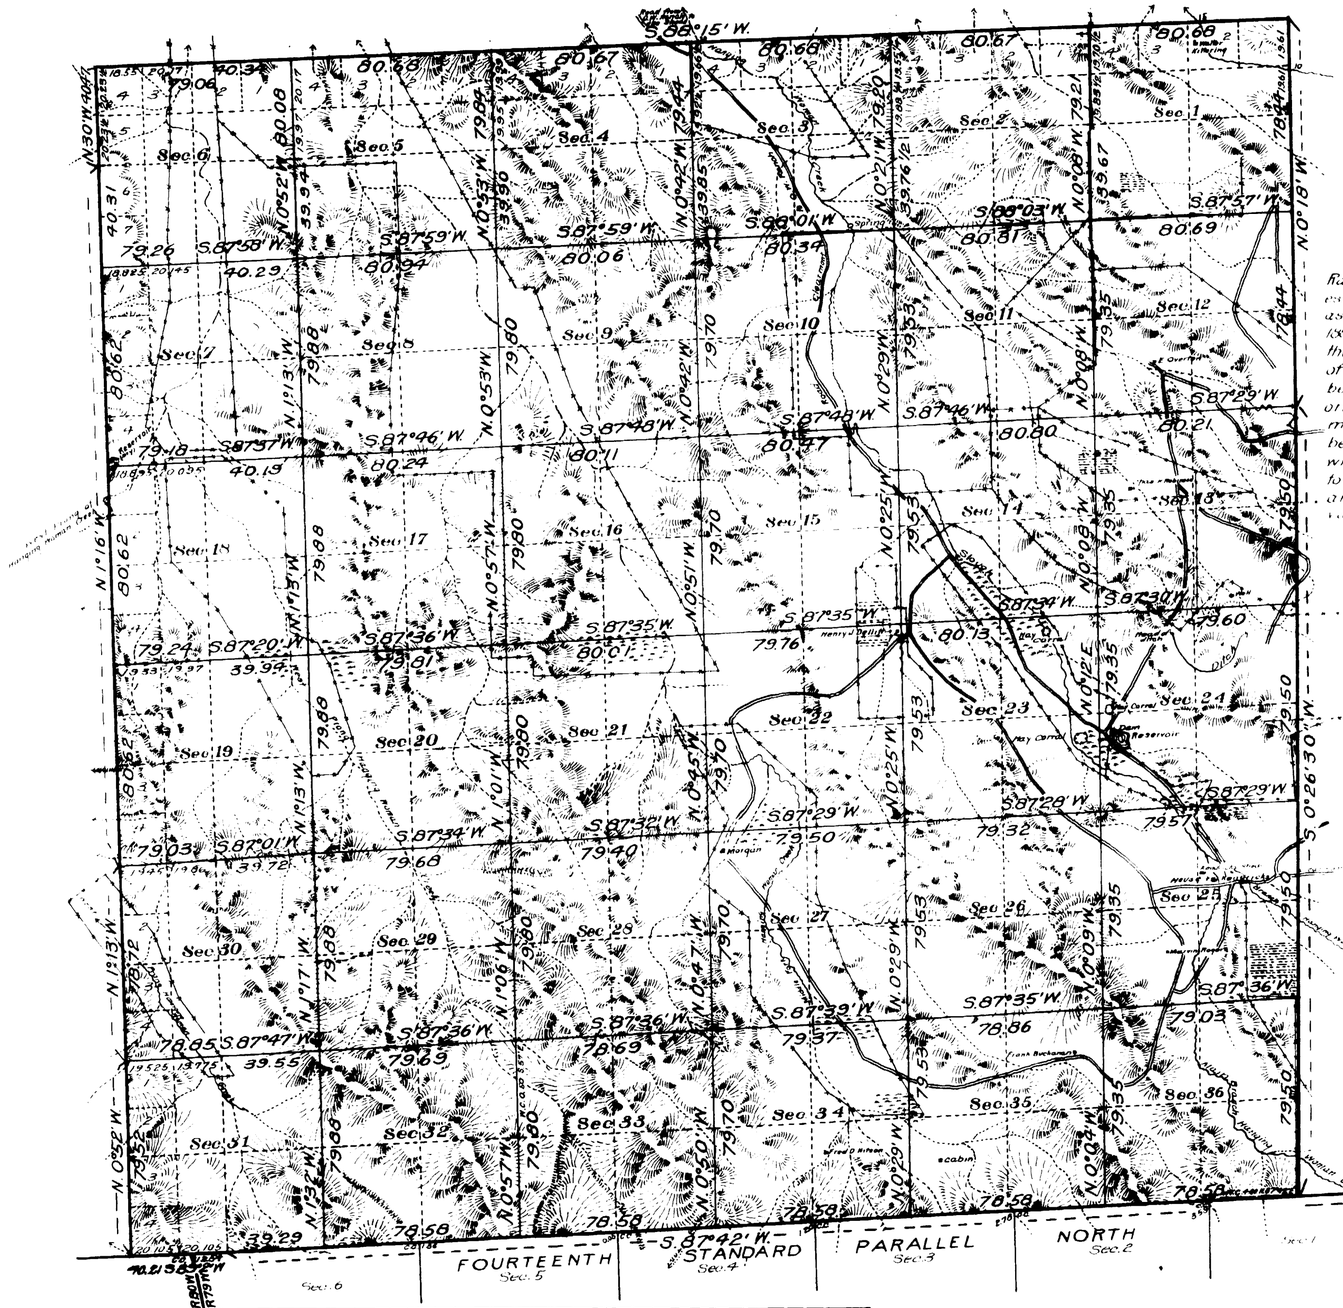
2597

Survey accepted March 1st, 1920

Resurvey Township N° 57 North, Range N° 79 West of the Sixth Principal Meridian, Wyoming



"This plat of the resurvey of Township 57, Range 79, delineates a retracement and re-establishment of the lines of the original survey as shown upon the plat approved November 1, 1883, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas and more detailed description of the various smaller subdivisions."

Latitude 44°52' N
Longitude 106°17'30" W.
