MEMORANDUM

This plat of the resurvey of Township No. 36 North, Range No. 88 West, delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved February 21, 1883, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas and more detailed descriptions of the various smaller subdivisions except in section 1 where new acreages of public lands are shown. The west range of sections has been augmented by inclusion of a previously unplatted area between the original and resurveyed Eleventh Guide Meridian West; public lands in the west range of lots in sections 7 and 30 are replatted.

Resurvey authorized by General Land Office letter "E" dated August 12, 1935.

UNITED STATES DEPARTMENT OF THE INTERIOR
