R.C.O.

This plat of the resurvey of T. 13 N., R. 98 W. delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved May 5, 1883, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas and more detailed description of the various smaller subdivisions.

Resurvey authorized by Commissioner's letter "E" dated June 7, 1929.

Office of U.S. Supervisor of Surveys
Denver, Colorado, November 9, 1934
The above plat of Township No 13 North, Range No. 98 West of the Sixth Principal Meridian, Wyoming is strictly conformable to the field notes of the resurvey thereof which have been examined and approved.

U.S. Supervisor of Surveys

DEPARTMENT OF THE INTERIOR
