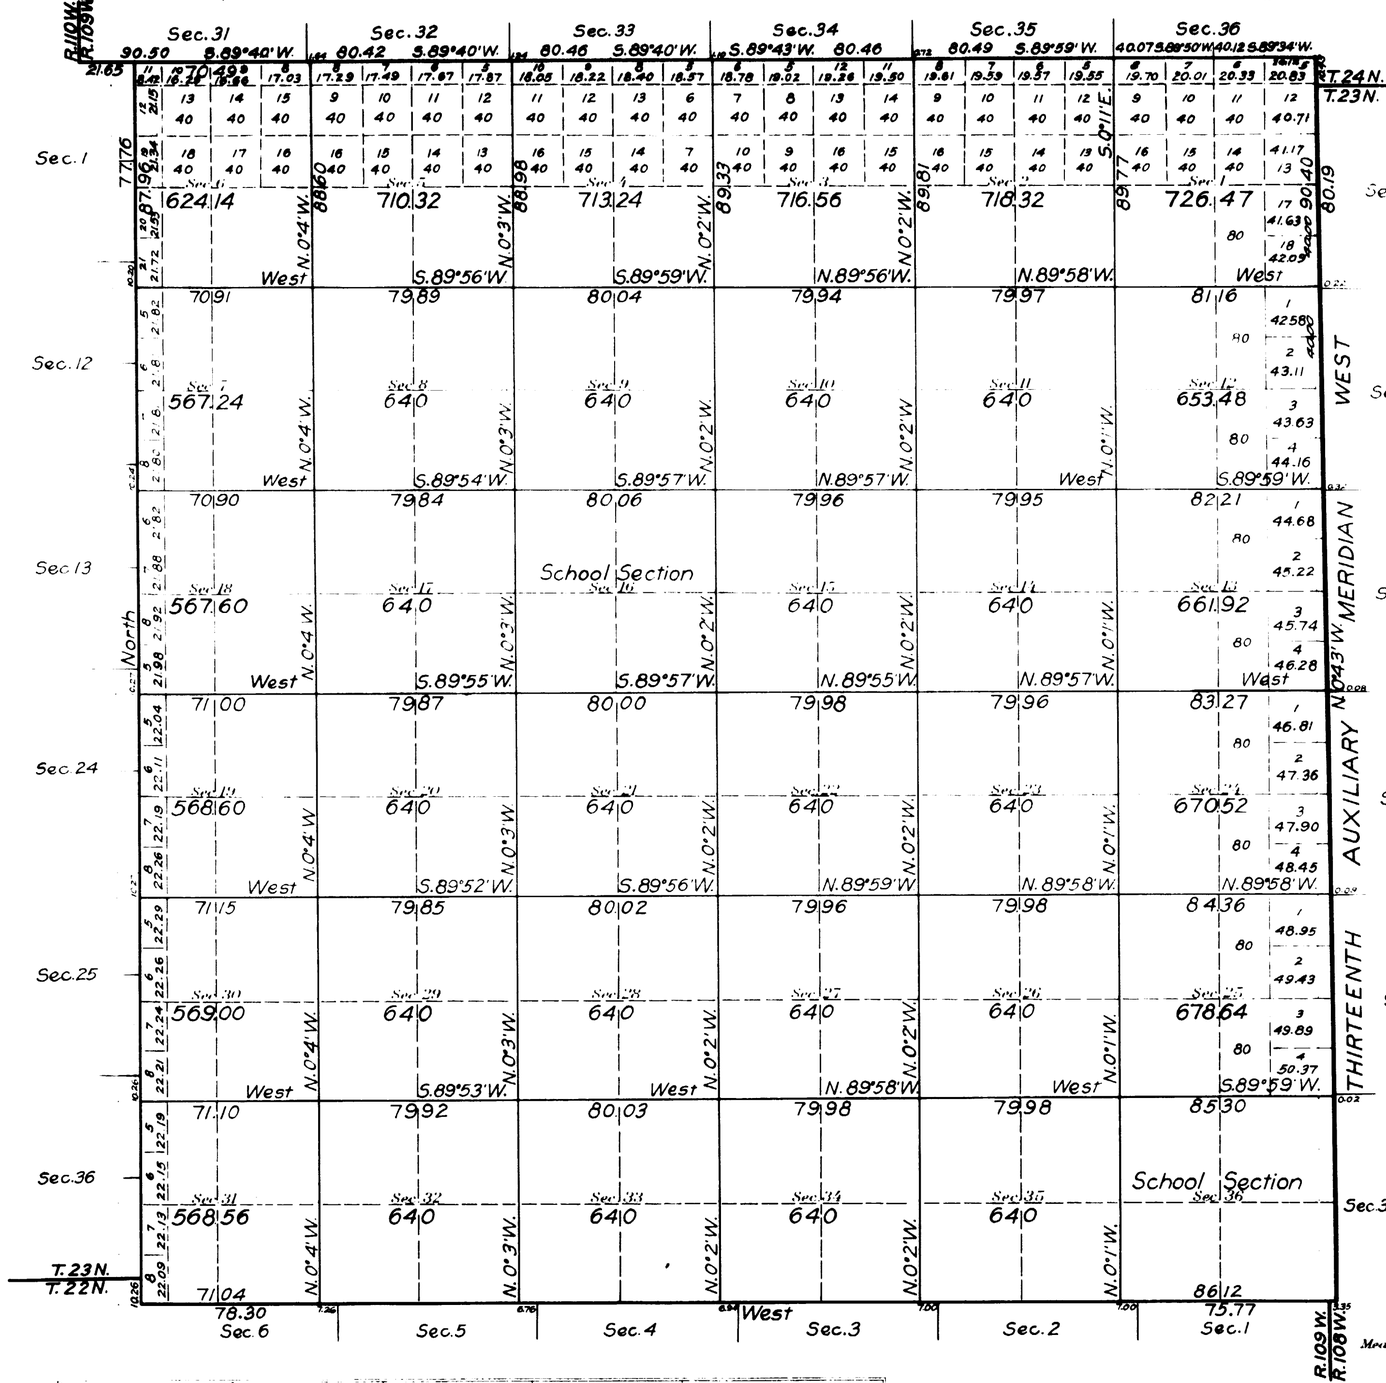
Supplemental Plat No. 1
Resurvey Township No. 23 North Range No. 109 West of the Sixth Principal Meridian, Wyoming



This Supplemental Plat No. 1, Resurvey Township No. 23 North, Range No. 109 West, of the Sixth P.M., approved May 29, 1912, is prepared in accordance with directions given in Commissioner's letter "E" file 1046833, Evanston 08-20116 dated November 25, 1922, for the purpose of clearing the record of the erroneous showing of patented lands appearing on the plat approved May 29, 1912;

And to supply areas and designations for the remaining public lands in the township so that they may be disposed of; and is hereby approved.

This plat is intended to supersede the plat approved May 29, 1912, as a basis for the disposal of the remaining public lands in the township.

All claims shown hereon to conform to the lines of the resurvey by original legal subdivisions, represent the position and form of the claims under the original description as referred to the original survey approved March 30, 1885, located as such on the ground according to the best available evidence of their true position.

Office of U. S. Surveyor General, Cheyenne, Wyoming, August 29, 1923.

Clyde W. Atherly
Surveyor General.
