The original Field Notes of the Survey of William Bradley's Claim upon the Bradley Lode, from which this Plat has been made, have been examined and approved, and are on file in this office. And I hereby certify that they furnish such an accurate description of said William Bradley's Mining Claim, as will if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects and permanent monuments, as will perpetuate and fix the locus thereof. I further certify that the value of the labor and improvements upon the said Mining Claim, is not less than Five Hundred Dollars, consisting of a discovery shaft timbered, a tunnel driven in solid rock 65 ft., log cabin & shaft house, total value $500, and that this is a correct Plat of said William Bradley's Mining Claim or premises, made in in conformity with said original field notes of survey thereof.
