The original Field Notes of the Survey of..... *William Bradley's*
 Claim upon the..... *Bradley*Lode, from which this Plat has been made, have
 been examined and approved, and are on file in this office. And I hereby certify that they furnish such an
 accurate description of said..... *William Bradley's*Mining Claim, as will if incorporated into a patent,
 serve fully to identify the premises, and that such reference is made therein to natural objects and permanent
 monuments, as will perpetuate and fix the locus thereof. I further certify that the value of the labor and improve-
 ments upon the said Mining Claim, is not less than Five Hundred Dollars, and that this is a correct Plat of said
 *William Bradley's*Mining Claim or premises, made in in conformity with said original
 field notes of survey thereof.

Surveyor General's Office,
 Cheyenne, Wyoming,
 November 20th 1882

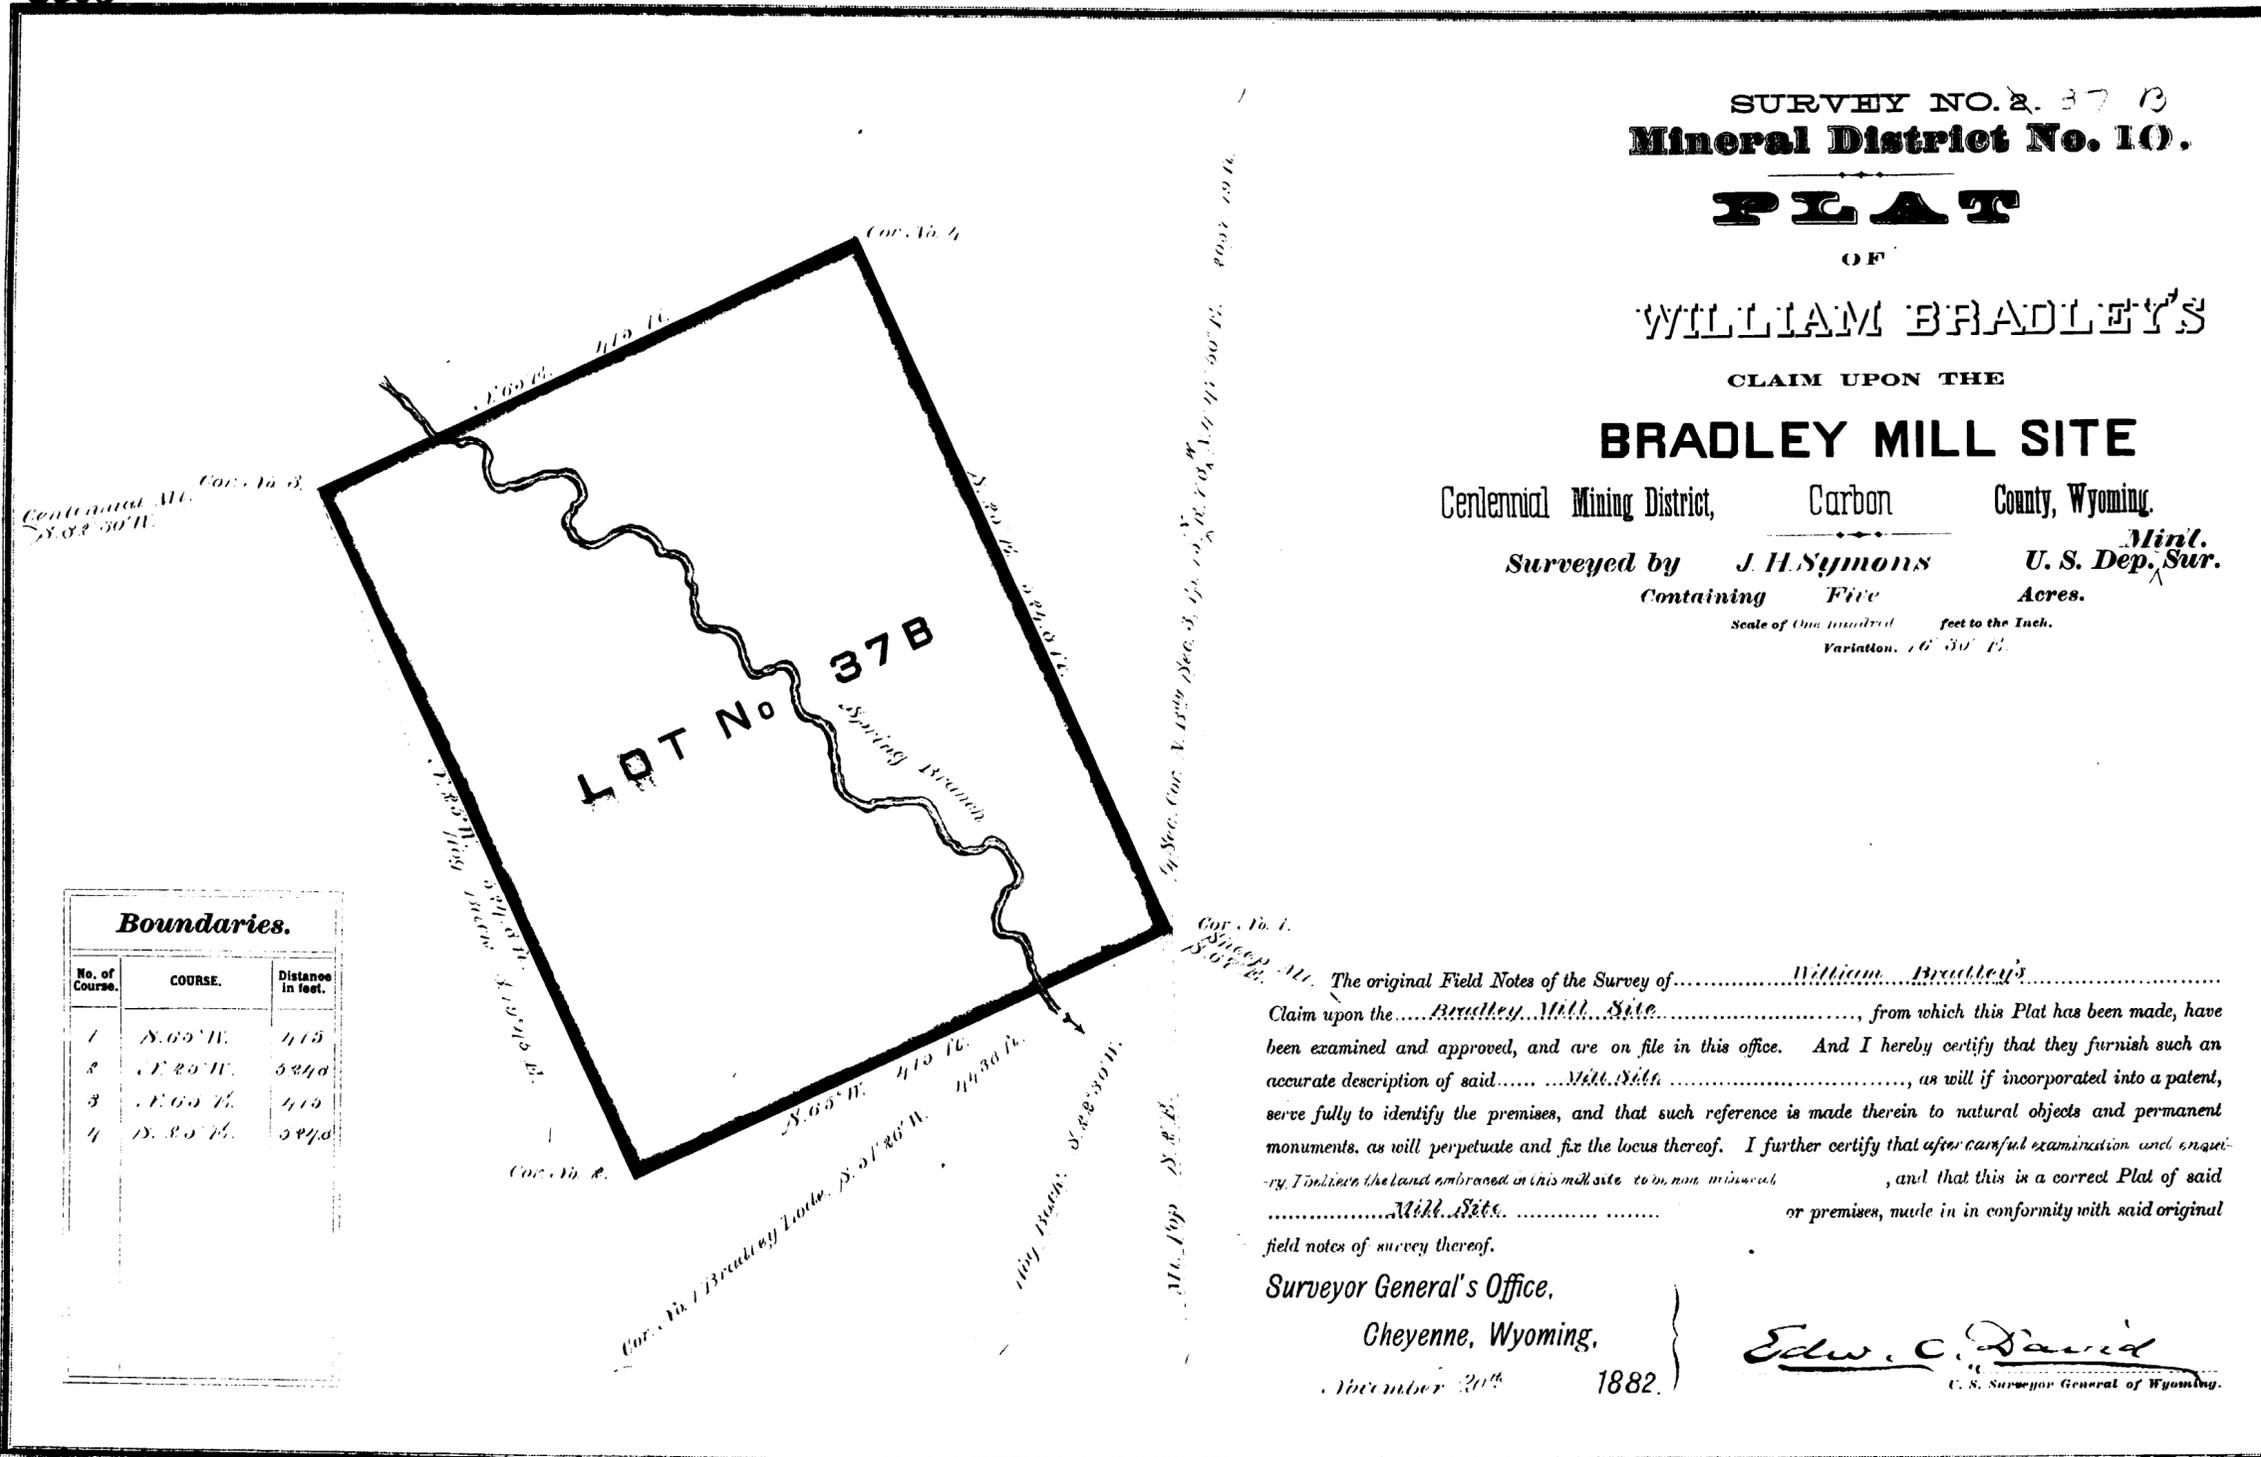

Edw. C. David
 U. S. Surveyor General of Wyoming.

The original Field Notes of the Survey of William Bradley's Claim upon the Bradley Mill Site, from which this Plat has been made, have been examined and approved, and are on file in this office. And I hereby certify that they furnish such an accurate description of said Mill Site, as will if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects and permanent monuments, as will perpetuate and fix the locus thereof. I further certify that after careful examination and enquiry I believe the land embraced in this mill site to be non-mineral, and that this is a correct Plat of said Mill Site or premises, made in conformity with said original field notes of survey thereof.

Surveyor General's Office,
Cheyenne, Wyoming,
November 20th 1882.

Edw. C. David
U. S. Surveyor General of Wyoming.
