George F. Ober U.S. Deputy Mineral Surveyor,

The Original Field Notes of the Survey of the Mining Claim of  
The Dexter Mining and Development Company  
known as the  
Iron Duke, Deer, Buffalo, Black Ranger,  
Moose, Steamboat and Antelope  
Lodes

from which this plat has been made under my direction,  
have been examined and approved, and are on file in this office,  
and I hereby certify that they furnish such an accurate description  
of said Mining Claim, as will, if incorporated into a patent,  
serve fully to identify the premises, and that such reference  
is made therein to natural objects or permanent monuments  
as will perpetuate and fix the locus thereof.

I further certify that five hundred dollars worth of labor has  
been expended or improvements made upon said Mining  
Claim by claimant or its grantors, and that  
said improvements consist of

Seven discovery shafts, 6 shafts,  
incline shaft and drift, 1 trench and  
1 shaft with drifts and log house  
upon this plat, and that no portion of said labor or im-  
provements has been included in the estimate of expendi-  
tures upon any other claim.

And I further certify that this is a correct plat of said Mining  
Claim made in conformity with said original field notes of the  
survey thereof, and the same is hereby approved.
