have been examined and approved, and are on file in this office,
and I hereby certify that they furnish such an accurate description
of said Mining Claim as will, if incorporated into a patent,
serve fully to identify the premises, and that such reference
is made therein to natural objects or permanent monuments
as will perpetuate and fix the locus thereof.

I further certify that five hundred dollars worth of labor has
been expended or improvements made upon said Mining
Claim by claimant or its grantors, and that
said improvements consist of 7 discovery shafts,
5 shafts, 1 shaft house,
1 shaft with drifts and cross cut
and 1 trench.

that the location of said improvements is correctly shown
upon this plat, and that no portion of said labor or im-
provements has been included in the estimate of expendi-
tures upon any other claim.

And I further certify that this is a correct plat of said Mining
Claim made in conformity with said original field notes of the
survey thereof, and the same is hereby approved.
