Subject: WYW-174598 and IDI-35849, Gateway West Transmission Line Project

Dear Mr. George:

Enclosed is Idaho Power Company and PacifiCorp's (Companies) Framework Reclamation Plan for Construction Activities Gateway West Transmission Line Project (Plan). This Plan is part of the revised Application for Transportation and Utility Systems and Facilities on Federal Land (SF-299) that was sent to you on January 27, 2010. This submittal supplements and revises information previously submitted through May 19, 2009. If you have any questions or need hard copies, please contact me at 208-388-5093 or sbaczkowski@idahopower.com.

Sincerely,

A handwritten signature in blue ink that reads "Stacey Baczkowski".
