Dear Reviewer:

This Environmental Assessment (EA) is furnished for your review and comment. Written comments will be considered in the decision if they are received by April 6, 2001.

The decision on the proposed Petro Source CO₂ Pipeline will be based upon the analysis in the EA, public concerns and comments, and other multiple-use resource objectives or programs that apply to the project. Decision Record, detailing the decision of the ELM and its rationale for the decision, will be prepared and distributed upon request as soon as the decision is reached following the end of the 30-day review period.

Comments on the content of this EA should be sent to:

Glen Nebeker
Bureau of Land Management
Casper Field Office
2987 Prospector Drive
Casper, WY 82604

Comments, including the names and street addresses of respondents, will be made available for review by the public at this office during regular business hours (7:45 a.m. to 4:30 p.m.), Monday through Friday, except holidays. Individual respondents may request confidentiality. If you wish to withhold your name and/or street address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed bylaw. If submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public inspection in their entirety.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in CFR 4. If an appeal is filed, your notice of appeal must be filed in this office within 30 days of the date BLM publishes their notice of the decision in the Casper Star Tribune. The appellant has the burden showing the decision appealed from is in error.

The BLM appreciates the individuals, organizations, and Federal, State, and Local Governments who participated in the environmental analysis process. Your involvement enhances the integrity of the EA and the public land manager's ability to make an informed decision.

Sincerely,

A handwritten signature in cursive script, appearing to read "William H. Mortimer".

Field Manager, Casper
