Dear Reader:

Attached you will find the Decision Record, Finding of No Significant Impact, and the Environmental Assessment for Veritas DGC Land, Inc.'s South Jonah 3D Vibroseis project located in Sublette and Sweetwater Counties, Wyoming.

The Environmental Assessment was prepared after a 30-day comment period. All issues raised during scoping have been considered.

The Bureau of Land Management appreciates the public's participation during preparation of the assessment. The documents can be linked from the Rock Springs website. The address is <http://www.wy.blm.gov/rsfo/index.htm>. A limited number of copies are available at the Rock Springs and Pinedale Field Offices. Please call Teri Deakins at 307-352-0211 or Bill Lanning in Pinedale at 307-367-5318 to request copies. Questions about the project should be directed to George Schoenfeld at 307-352-0271.

Sincerely,

/s/ Pamela J. Lewis
