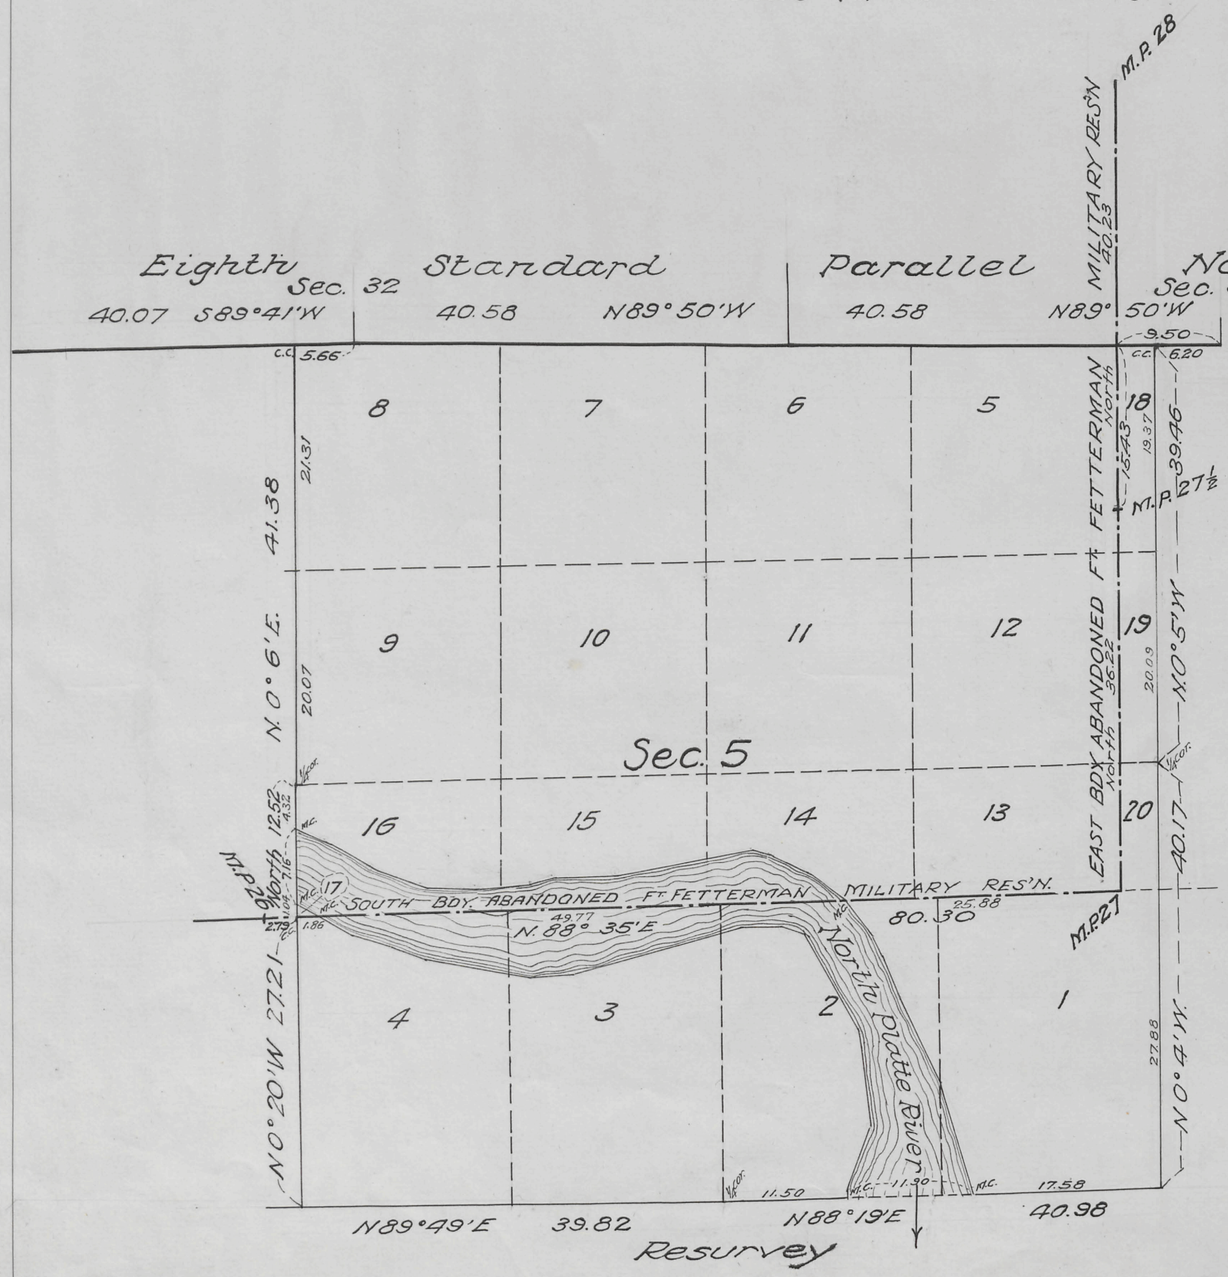
1946 ORIGINAL (4-675½) Accepted June 2. 1924

Supplemental Plat No. 1.

Resurvey Township No. 32 North Range No. 71 West of the Sixth Principal Meridian, Wyoming

Scale 1 inch = 10 chains



This Supplemental Plat No. 1, Resurvey of Sec. 5, T. 32 N., R. 71 W. approved June 29, 1915 is prepared from office records and field notes of surveys executed by Mark D. King, under instructions for Group No. 54 - Wyoming, dated August 30, 1923, for the purpose of delineating a correct resurvey of the line between Sections 5 and 8, and for the purpose of correctly indicating the meridional subdivision lines in Section 5, thereby correcting the previous drafting shown on the resurvey plats of T. 32 N., R. 71 W. approved June 29, 1915 and February 1, 1921; and is hereby approved.

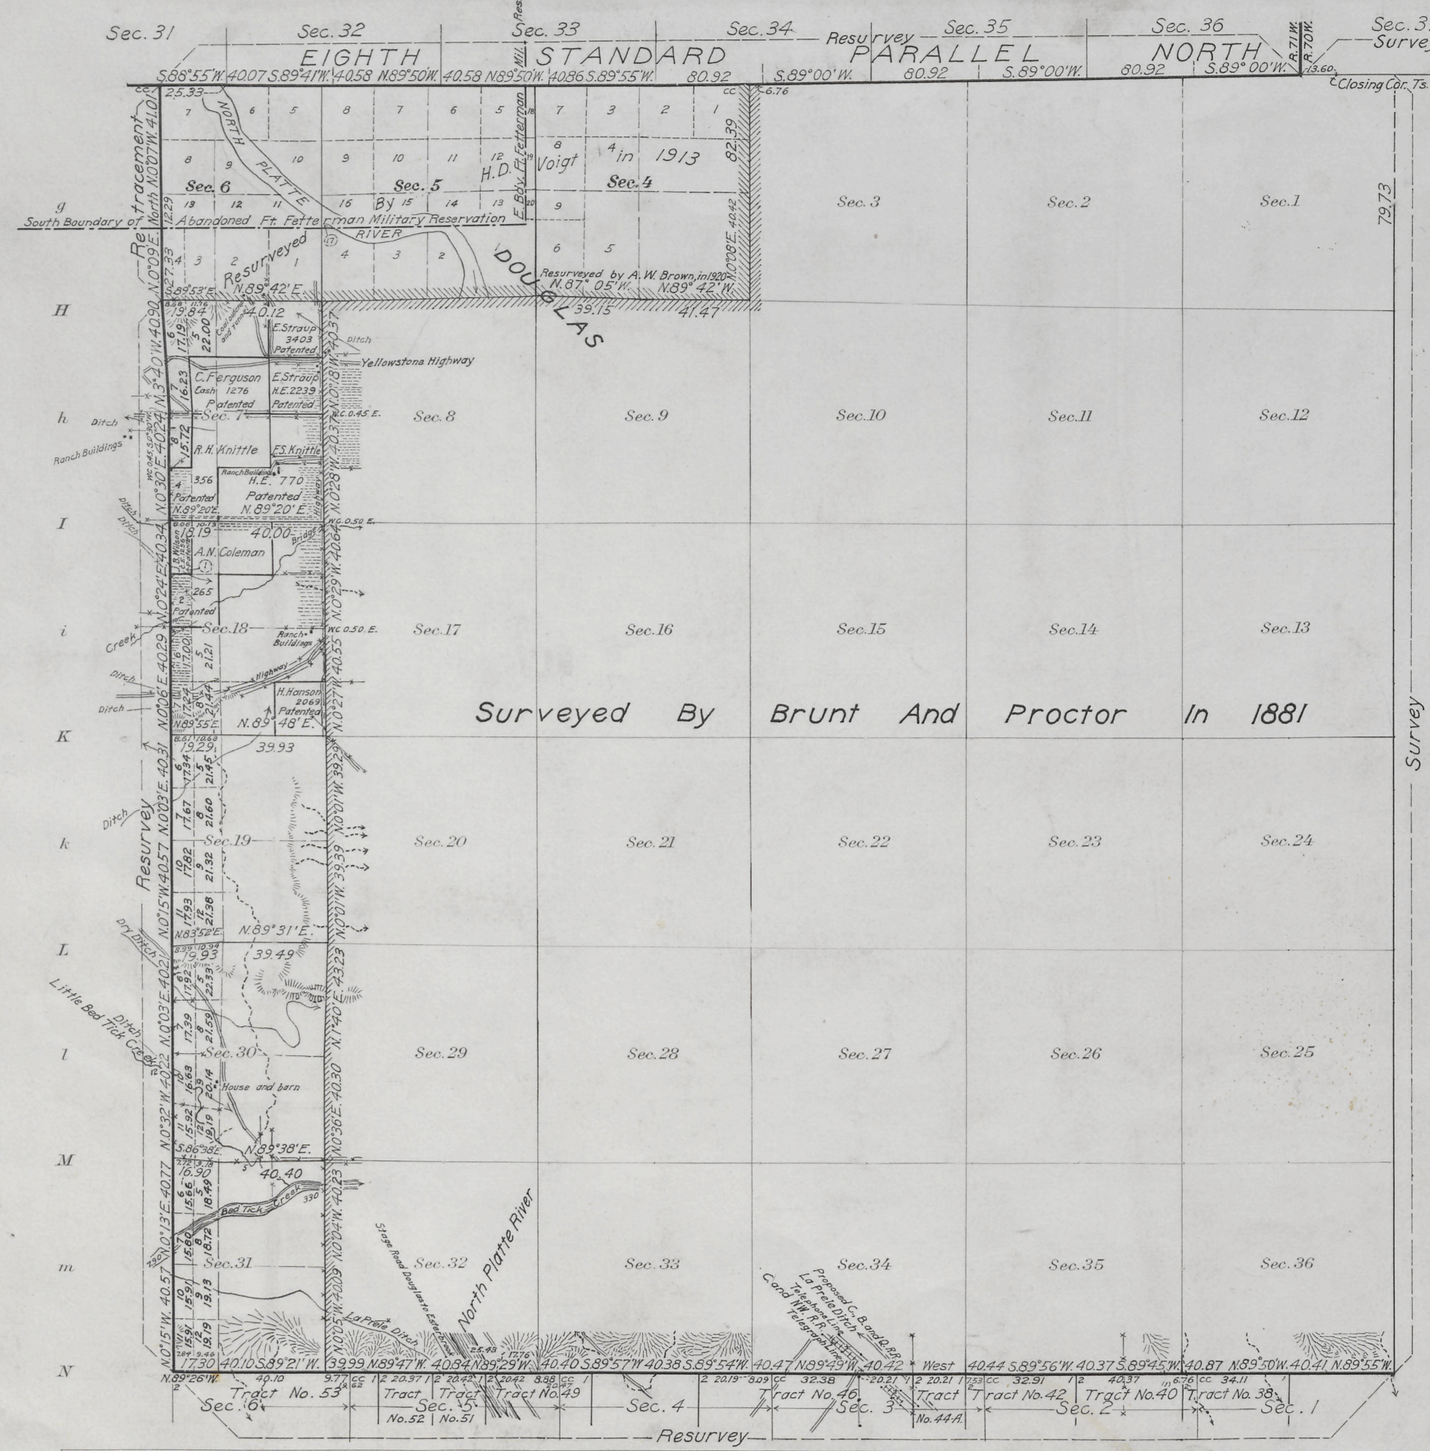
ORIGINAL

Accepted March 12, 1921

Resurvey Fractional Township No. 32 North, Range No. 71 West of the Sixth Principal Meridian, Wyoming



This plat is based upon a retracement and reestablishment of the lines defining lands in Sections 7, 18, 19, 30 and 31, Township No. 32 North, Range No. 71 West of the Sixth Principal Meridian, Wyoming, shown upon the plat approved May 5, 1883.

Titles and areas based upon the original plat remain undisturbed for position and description.

All public lands, including lands segregated to the State of Wyoming, under the Carey Act, in West halves of sections 7, 18, 19, 30 and 31 are replatted under new designations and with their true areas.

Attention is called to the resurvey of the South boundary of section 4, showing the quarter corner restored to its original position, thereby amending plat of resurvey approved June 29, 1915.
