Resurvey Township No 45 North, Range No 99 West of the Sixth Principal Meridian, Wyoming

This plat of the resurvey of T. 45 N., R. 99 W., delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved September 18, 1887, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas and more detailed descriptions of the various smaller subdivisions.

Coal indications in Secs. 1, 24, 25, 26.
