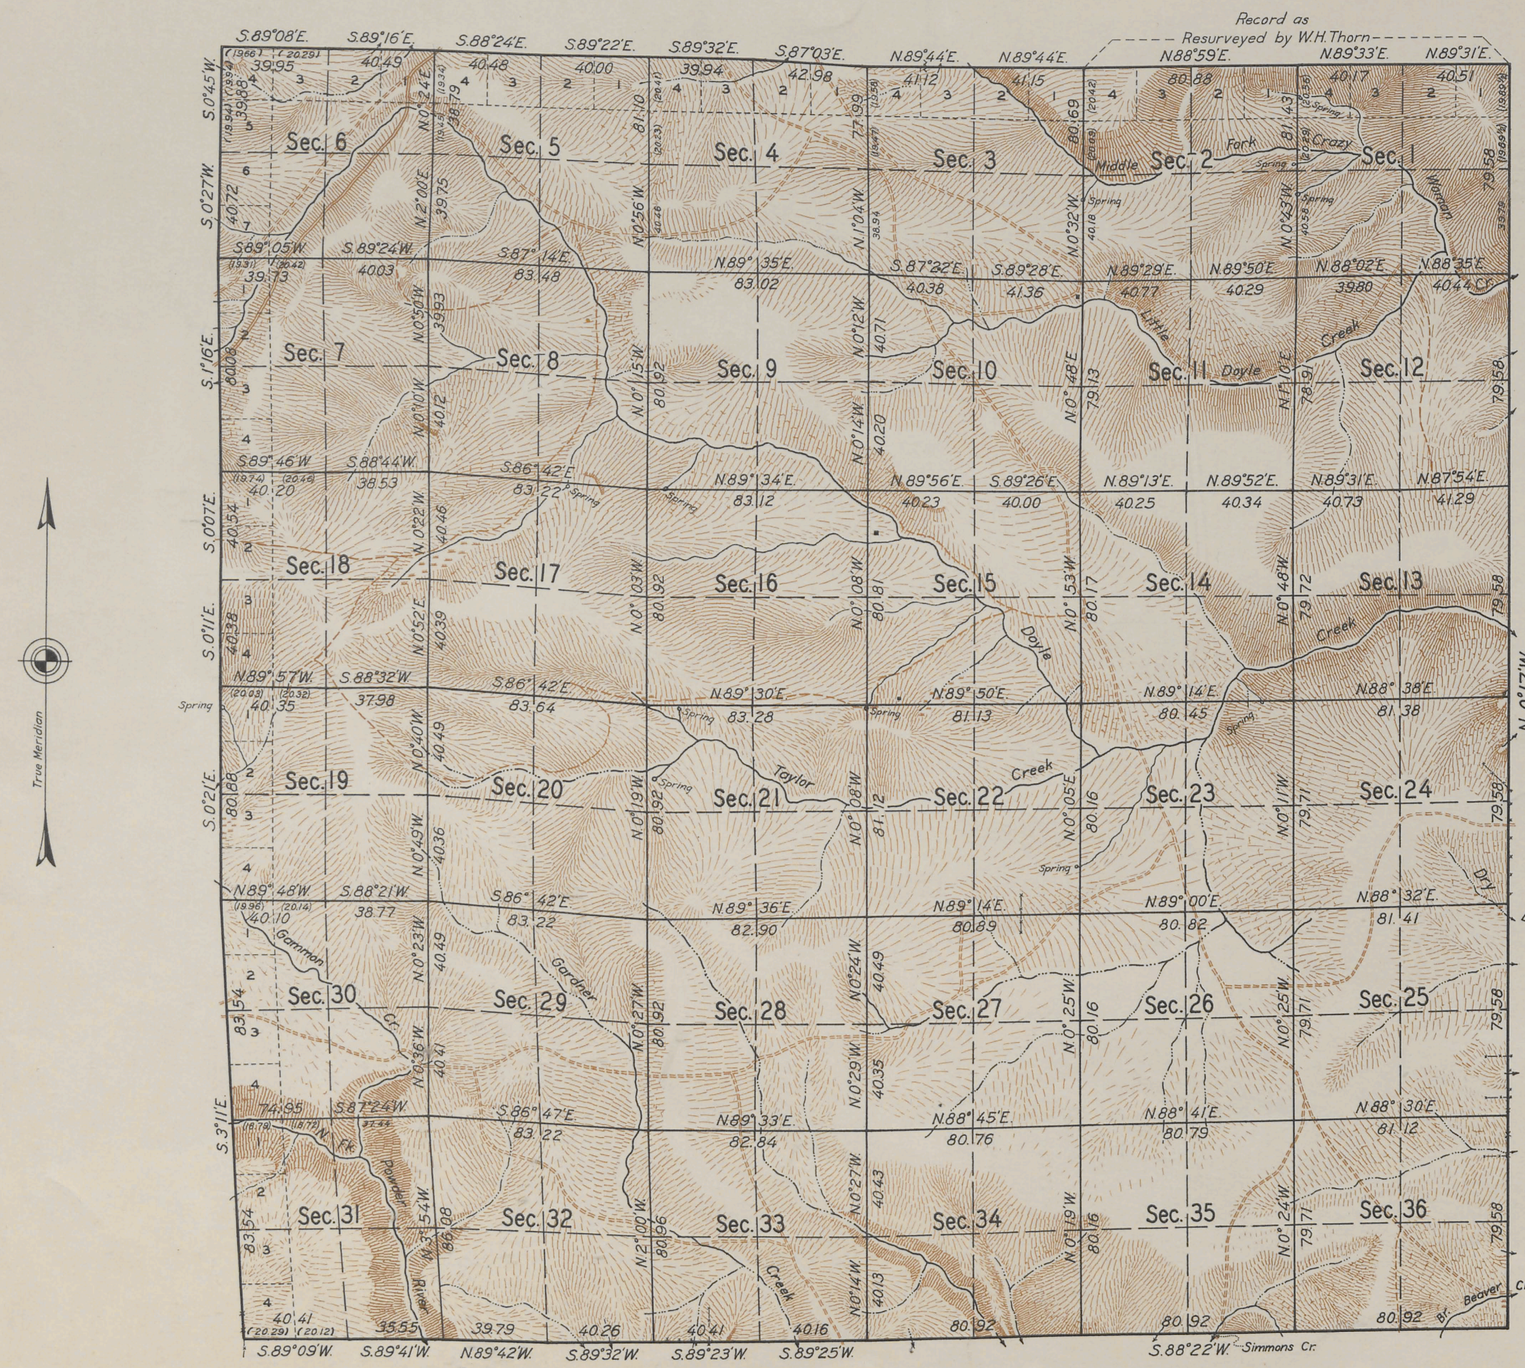
ORIGINAL

TOWNSHIP Nº 47 NORTH, RANGE Nº 84 WEST OF THE SIXTH PRINCIPAL MERIDIAN, WYOMING

DEPENDENT RESURVEY



Resurvey authorized by General Land Office Letter "E" dated March 30, 1933.

This plat of the resurvey of Township 47 North, Range 84 West, delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved July 31, 1884, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas and more detailed description of the various smaller subdivisions.

The north and west portions of the township are heavily timbered with lodge-pole pine.

Traces of gold, silver and copper have been discovered in parts of the township.

Latitude 44°00'N.
Longitude 106°52'W.
