This plat of the resurvey of Township No. 47 North, Range No. 85 West delineates a retracement and reestablishment of the lines of Sections 1, 2, 3, 7 to 36 inclusive, of the original survey as shown upon the plat approved July 31, 1884, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas and more detailed descriptions of the various smaller subdivisions except in sections 1, 2, 3, 12 and 13, where the differences in area are so great as to warrant a recalculation of the public lands therein

All tract segregations shown in sections 4, 5 and 6, hereon, represent the position and form of said tracts under the original description as referred to the original survey, located as such on the ground according to the best available evidence of their true position

Resurvey authorized by Commissioner's letter "E" dated January 16, 1936
