J.E.D.

This plat of the resurvey of Township Nº 32 North, Range Nº 82 West, delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved February 21, 1883, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown upon the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas except in section 25 where fractional lots of public land have been created by the meanders of the North Platte River.

Certain sections have been subdivided to accommodate the Bureau of Reclamation.

Latitude 42°42' North.
Longitude 106°36' West

OFFICE OF U.S. SUPERVISOR OF SURVEYS

Denver, Colorado, June 19, 1935

The above plat of Township Nº 32 North, Range Nº 82 West of the Sixth Principal Meridian, Wyoming, is strictly conformable to the field notes of the resurvey thereof which have been examined and approved.

Frank A. Johnson
U.S. Supervisor of Surveys.
