H.M.B.

This plat of the resurvey of Township No.34 North, Range No.84 West, delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved February 23, 1883, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas and more detailed descriptions of the various smaller subdivisions.

Resurvey authorized by Commissioner's letter "E" dated August 12, 1935.

Bentonite deposit in Sections 4 and 9.

Latitude 42° 52' N.
Longitude 106° 51' W.

Office of Supervisor of Surveys
Denver, Colorado, February 21, 1939.
The above plat of Township No. 34 North, Range No. 84 West of the Sixth Principal Meridian, Wyoming, is strictly conformable to the field notes of the resurvey thereof which have been examined and approved.

Supervisor of Surveys.

UNITED STATES
