A history of surveys is contained in the field notes.

This plat represents the dependent resurvey of portions of Tracts 41 and 50, the subdivisional lines and Lot 22, Section 30, and the dependent resurvey of a portion of the subdivision of Section 20 designed to restore the corners in their true original locations according to the best available evidence, and the subdivision of sections 20 and 29, and the metes and bounds surveys of Lots 8, 9 and 10, Section 29, and Tracts 101 and 102, T. 53 N., R. 101 W., Sixth Principal Meridian, Wyoming.

Except as indicated hereon, the lottings and areas are as shown on the plat approved June 13, 1914.

Survey executed by Joel T. Ebner, Cadastral Surveyor, beginning August 23, 1995, and completed September 21, 1995, pursuant to Special Instructions dated June 7, 1995, for Group No. 605, Wyoming.
