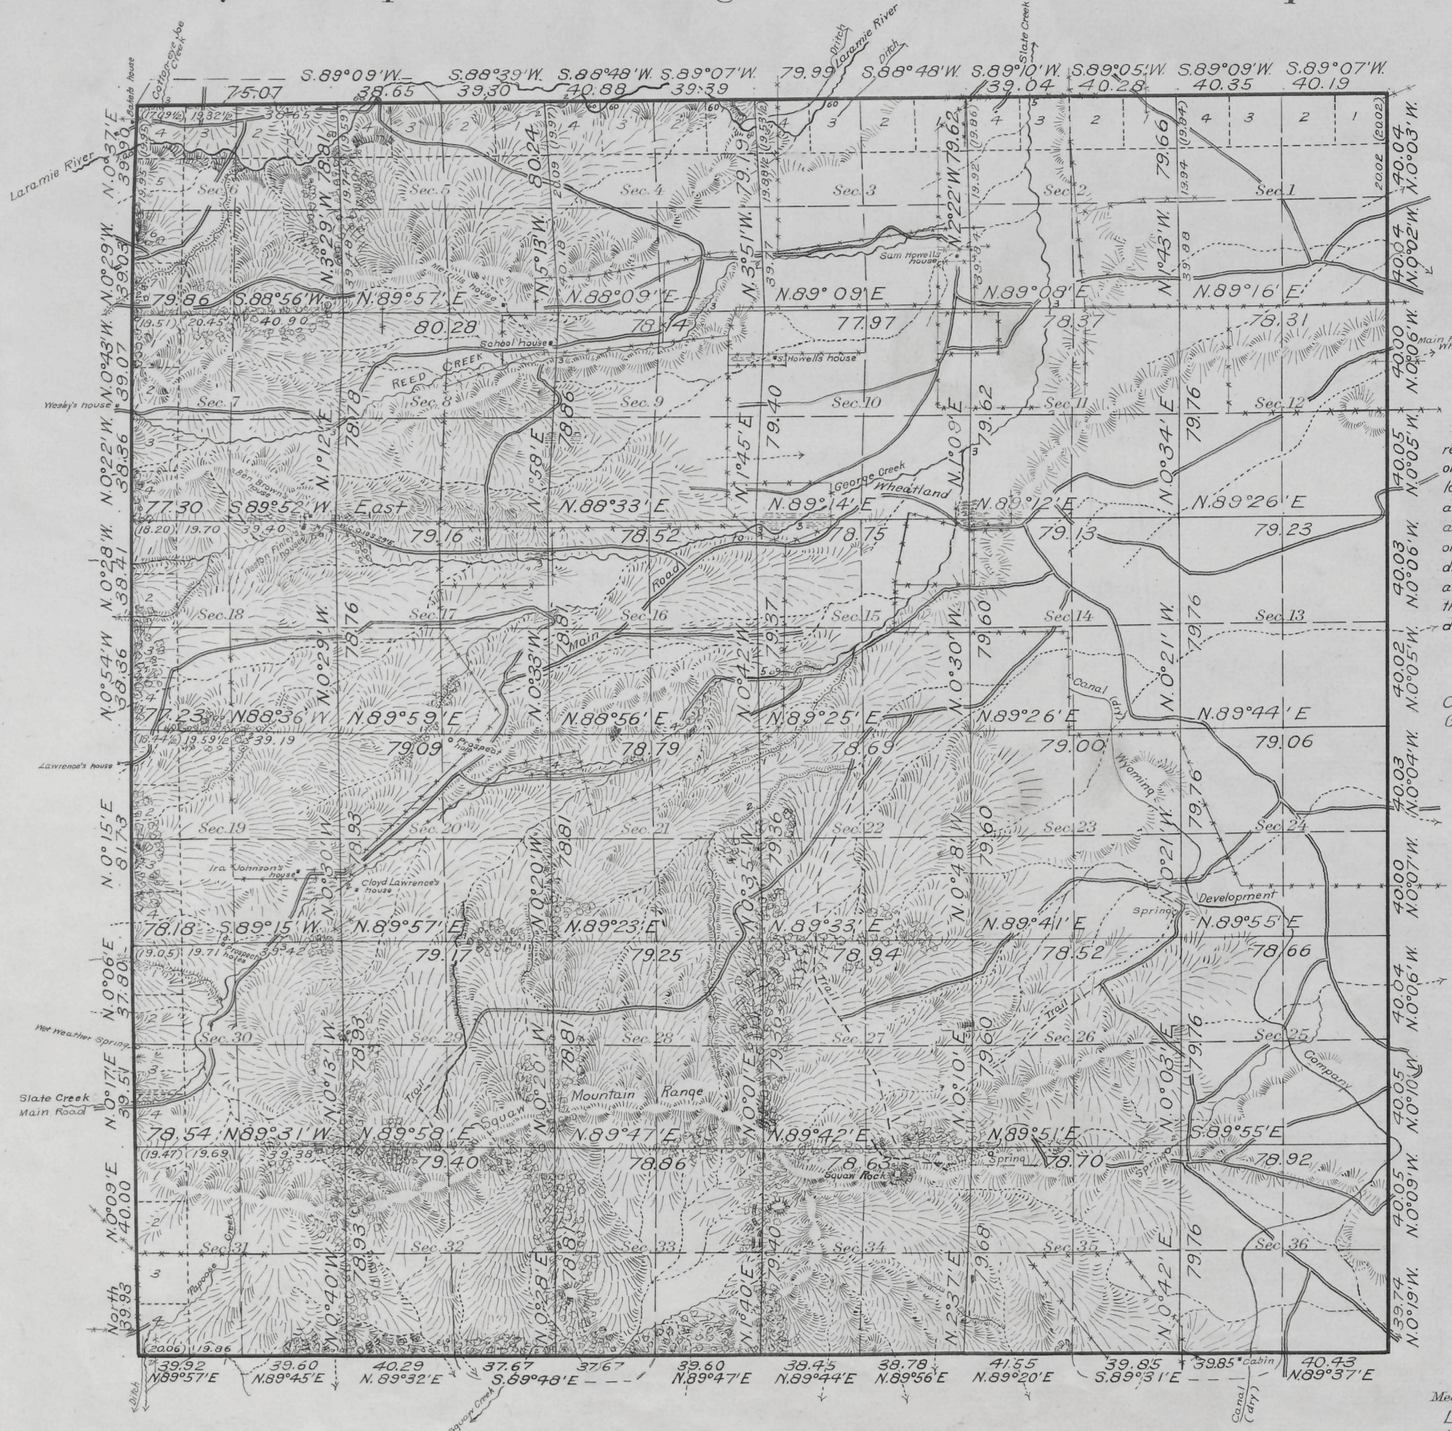
ORIGINAL

Accepted July 17. 1924

Resurvey Township Nº 23 North, Range Nº 70 West of the Sixth Principal Meridian, Wyoming



This plat of the resurvey of T. 23 N., R. 70 W. delineates a retracement and reestablishment of the lines of the original survey as shown upon the plat approved April 21, 1884, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plat and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas and more detailed descriptions of the various smaller subdivisions.

Copper ore found in Sections 19 and 30
Graphite found in Sections 17 and 20
