A.M.T.

This plat of the resurvey of Township No. 57 North, Range No. 87 West, delineates a retracement and reestablishment of the lines of the original survey of sections 19, 20, 21, 28, 29, 30, 31, 32, 33 and 34 as shown upon the plats approved March 28, 1882 and March 26, 1884, in their true original position according to the best available evidence of the position of the original corners; all differences between the measurements shown on the original plats and those derived in the retracement have been distributed proportionally between accepted corners in accordance with surveying rules; reference will be made to the original plat for the showing of the areas and more detailed descriptions of the various smaller subdivisions except in section 31 where the differences in area are so great as to warrant recalculation of the public lands therein

Resurvey authorized by Commissioner's letter "E" dated August 12, 1936

Latitude 44° 52' N.
Longitude 107° 18' W.

Office of Supervisor of Surveys
Denver, Colorado, Nov. 16, 1938.
The above plat of Township No. 57 North, Range No. 87 West of the Sixth Principal Meridian, Wyoming, is strictly conformable to the field notes of the resurvey thereof which have been examined and approved

Supervisor of Surveys

UNITED STATES
